Please refer to your benefit booklet for other details.

The following benefits apply to dependent coverage:

Payments: Network providers agree to accept amounts negotiated with BCBSTX and are paid according to this BCBSTX-determined Allowable Amount. Covered individuals are responsible for any required Deductibles, Coinsurance Amounts, and Copayments. Plan benefits paid to Out-of-Network providers are based on the BCBSTX-determined Allowable Amount, except in the event of Emergency Care received in an outpatient hospital emergency treatment room within 48 hours of the incident. For all other services received by an Out-of-Network Provider, the covered individual will be responsible for charges in excess of the Allowable Amount in addition to any applicable Deductibles, Coinsurance Amounts, and Copayments. For cost savings information, refer to the section on ParPlan Providers and the definition of Allowable Amount in the benefit booklet.

Replacement of Medical Coverage: In compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the following provisions apply to each eligible participant who has health coverage under the employer's plan immediately prior to the effective date of the health contract between the employer and BCBSTX (the contract date):

- Benefits for eligible expenses incurred for any service or supplies prior to the contract date, are not covered under the contract.
- Eligible expenses for services or supplies incurred on or after the effective date will be considered for benefits subject to all applicable contract provisions.
