Debbie Winslow

John,

Our client, Johnson Development, is requesting an exception in this instance. This is a collector road that will not have any homes addressed along it.

The proposed street name is intended to memorialize Brittany Hildebrand and has been discussed and supported by the developer and commissioner.

We would appreciate your consideration of the exception for "**Brittany's Way**". Please let me know if you have any questions or need any additional information.

Thank you,

Good afternoon, John and Michaela,

We are currently preparing the next phase of section plats for the Grange development and have a street dedication plat that will soon be submitted and requires a new street name.

The proposed street name, **"Brittany's Way"**, is in honor of Brittany Hildebrand, daughter of Jeff Hildebrand, who passed away last year. The name is intended as a tribute to her.

Proposed Street Name:

- Brittany's Way

Please let me know if you have any questions or need any additional information regarding the requested street name.

Thanks,
