Affordable Care Act Reporting and Tracking Service (ARTS) Renewal Information

The Texas Association of Counties Health and Employee Benefits Pool (TAC HEBP) has begun the renewal process for those counties and districts participating in the Affordable Care Act Reporting and Tracking Service (ARTS). Renewal will enable your entity to produce the forms required by IRS Sections 6055/6056 for calendar year 2026, assuming this reporting continues to be a requirement. Reporting will consist of Form 1095C in electronic format, which must be made available to employees and filed with the IRS (plus transmittal Form 1094C, filed with IRS). Current law requires all employers with 50 or more full-time equivalent employees to file these forms. ARTS will provide measurement period tracking for 2026 and beyond (to determine whether an employee must be offered health coverage), as well as affordability testing for groups that require employee contributions toward the cost of their own health coverage.

As your county or district provides health benefits through TAC HEBP, ARTS will continue to be available at NO COST in 2026, assuming program deadlines are met.

Your entity will need to continue sending employee, payroll, and unpaid leave of absence files to TAC HEBP in order to utilize this service for the 2026 reports. **Payroll data must be provided for each payroll cycle. Employee files must be provided, at a minimum, once per quarter. LOA files may be provided if and when applicable.** The information provided will be used to determine:

- 1) whether individuals are eligible for a federal premium subsidy or tax credit; and
- 2) whether your entity is subject to penalties under the ACA employer mandate.

Some payroll vendors have worked with TAC to produce these files for you. You will be responsible for the completion of required information in your payroll system and submission to TAC, but this eliminates the need for manually producing additional spreadsheets.

If you use a payroll system that will produce the required IRS forms, and you determine that your entity does not need measurement period tracking or affordability monitoring, you may not need ARTS. It is a service offered by TAC and is completely optional.

Enclosed is the **2026 ARTS Renewal Confirmation Program Agreement** on page 1. Please return a signed copy (initials on pages 1 and 2, signature on page 3) to your Employee Benefits Consultant or email to ARTS@county.org no later than **3/31/2026** if your entity wishes to continue its participation in the program. If you have any questions, please contact your Employee Benefits Consultant at (800) 456-5974.
