Article 14 Section 120 Special Exception to Board of Appeals

A. Standards for Review

In ruling on any application for a special exception, the Board of Appeals shall act in the best interest of the health, safety, morals and general welfare of the county. In doing so the Board of Appeals may grant special exceptions in individual cases upon a finding that all of the following conditions exist:

Request if granted, would not cause substantial detriment to the public good, safety, or impair the purposes and intent of this ordinance.

Request if granted, will not create adverse impact upon adjoining properties by reason of noise, smoke, odor, dust, vibration, hours of operation, activity, parking, visibility or nature of operation of use.

Request if granted, will allow use that is compatible with adjacent properties uses and other property uses in immediate area.

Request if granted, insures that adequate public services, public facilities and utilities are available to serve the special exception use.

Request if granted, insures that the public street on which the special exception use will be located has sufficient traffic carrying capacity and road design so as not to unduly increase traffic and/or create congestion, and/or create traffic hazards in the area.

The surrounding properties are zoned A1.

The Future Land Use Map for this property is Conservation.

The property is in the Beaverdam Creek Watershed Protection Area.
