PC ACTION 10/3/2024:

1. CU24090002-Conditional Use on 29.51 acres for outdoor storage-Applicant/Owner: John McGaha-Property located on 1841 Hwy 11 & John Deere Rd-Map/Parcel C0880029-District 6.

Presentation: John McGaha represented the case. He would like to take 4 or 5 acres between the building and the mini warehouse in the back and turn into parking for tractor trailers, RV's, boats and campers and this will be the storage area.

Tim Hinton asked if it was the part between the office building and self-storage and Mr. McGaha stated that was correct.

Mr. McGaha stated that there is no fence, but he will be putting up fencing and cameras.

Tim Hinton asked how tractor trailers could get in or we he have two entrances and Mr. McGaha stated that they can use current drive and will have a gate and code for parking.

Tim Hinton stated that GDOT will have to approve the entrance and McGaha stated that if this is an issue then he will only store campers, RV's and boats.

Tim Hinton said that you will probably need to do site work as far as drainage. Mr. McGaha said it might not be much because he has a detention pond.

Tim Hinton said that there is an Ordinance Amendment about asphalt requirement which hasn't been approved yet, but gravel seems like a good option.

Tim Hinton asked what would be fenced and would it be the entire 29.5 acres, or will it be the part that is being used for outdoor storage and Mr. McGaha stated that he will only fence the area being used and it will be completely fenced.

Mr. Hinton asked about an entry point off of John Deere Road and Mr. McGaha said that there will not be an entry off of John Deere Road.

Speaking: Terrell Albright who lives at 620 John Deere Road spoke. He bought this property about 5 or 6 years ago. He stated that there are not many homes on John Deere Road. He is worried about the whole area, and it is going to look like the putt-putt golf course that is there now.

Billy Mitchell stated that he owns property at 869 John Deere Road, 500 John Deere Road and 680 John Deere Road. He said that Mr. McGaha's property is commercial and there is nobody living on the property, and this is just an addition to the property, and he has no problem with Mr. McGaha's request.

Recommendation: Tim Hinton made a motion to recommend approval with the following conditions: 1. Fence area where storage is to be located and if the area expands in the future, the entire perimeter must be fenced 2. Explore secondary entrance point and no entry off John Deere Road with a second by Wesley Sisk. The motion carried unanimously.
