ATTACHMENT NO. 1

MEMORANDUM OF INSTRUCTIONS

These instructions are to set forth the procedures necessary for the Political Subdivisions of the State of Georgia to follow when acquiring right of way on highway projects where it is proposed to acquire or construct said project with Federal participation for on system projects. On systems projects are those on designated state or federal routes. The Political Subdivision shall make every effort to acquire expeditiously all real property when authorized to proceed.

The Political Subdivision may, when they consider it appropriate, attempt to secure the right of way by donation. To assure the property owner is fully informed of his rights, the request for donation must be made in writing and also set forth that they are entitled to receive just compensation, if they so desire. A letter prepared by the Department will be made available to use as a guide. If a property owner requests payment of just compensation, the provisions of paragraph one (1) must be followed.

Nothing herein shall be construed to prevent a person whose real property is being acquired from making a gift or donation of such property, or any part thereof, or of any compensation paid therefore, after such person has been fully informed of his right to receive just compensation for the acquisition of his property.

1. At the initiation of negotiations each owner must be fully informed of his right to receive just compensation for the acquisition of his property. In order to assure just compensation is being offered, the following steps must be taken:
 - A) A General Certified Appraiser and other valuation damage experts, who is on the Department's approved list, must utilize an appropriate valuation method (appraisal/data book/cost estimate) as determined by the Department.
 - B) The appraiser must give the owner or his designated representative an opportunity to accompany him during his inspection of the property. A statement is to be in the report that this opportunity was provided.
 - C) The report must be adequately documented to support the conclusion of the appraiser and shall be prepared in accordance with the guidelines set forth by the Department.
 - D) The Department must review the appraisal and approve in writing the estimated amount of just compensation to be offered to the property owner.
 - E) The offer must be made in writing for the full amount of the aforesaid estimate of just compensation. Where appropriate, the written offer must state separately the amount for the real property being acquired and the amount attributable to damages to the remaining property.
2. No person occupying real property shall be required to move from his home, farm, or business without at least three (3) months written notice or two (2) months written notice from the time of the closing or condemnation.
3. The Department will furnish copies of letters, settlement and disbursement statements and such other forms as it may deem necessary or desirable.
4. Copies of all letters, forms, deeds and status reports used in the acquisition of Rights of Way for this project must be forwarded to the Department upon request, for future reference.
5. The LOCAL GOVERNMENT will be responsible for determining benefits and preparing relocation assistance packages. Packages must be submitted to the Department for review and approval prior to offers of benefits being made.
6. Any consultant contracted for negotiation services for the acquisition of right of way for the LOCAL GOVERNMENT must hold either a Real Estate License and be affiliated with a broker, or hold a Real Estate Brokers License in accordance with Title 43, Chapter 40 of the Official Code of Georgia Annotated. Said consultant must attend any present and all future mandatory training classes required by the DEPARTMENT.

APPENDIX "A"

- A. **COMPLIANCE WITH REGULATIONS:** The contractor shall comply with the regulations relative to nondiscrimination in Federally-assisted programs of the Department of Transportation, Title 49, Codes of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the regulations), which are herein incorporated by reference and made a part of this contract.

- D. **INFORMATION AND REPORTS:** The contractor shall provide all information and reports required by the regulations, or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the State Department of Transportation or the Federal Highway Administration to be pertinent to ascertain compliance with such regulation or directives. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information, the contractor shall so certify to the State Department of Transportation, or the Federal Highway Administration as appropriate, and shall set forth what efforts it has made to obtain the information.
- E. **SANCTIONS FOR NONCOMPLIANCE:** In the event of the contractor's noncompliance with the nondiscrimination provisions of this contract, the State Department of Transportation shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to:
1. Withholding of payments to the contractor or under the contract until the contractor complies, and/or
 2. Cancellation, termination or suspension of the contract, in whole or in part.
- F. **INCORPORATION OF PROVISIONS:** The contractor shall include the provisions of Paragraphs "A" through "F" in every sub-contract, including procurement of materials and leases of equipment, unless exempt by the regulations, or directives issued pursuant thereto. The contractor shall take such

action with respect to any sub-contract or procurement as the State Department of Transportation or Federal Highway Administration may direct as a means of enforcing such provisions including sanctions for non-compliance: Provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a sub-contractor or supplier as a result of such direction, the contractor may request the State Department of Transportation to enter into such litigation to protect the interest of the State, and, in addition, the contractor may request the United States to enter into such litigation to protect the interest of the United States.

More specifically, and without limiting the above general Assurance, the Recipient agrees with and gives the following Assurances with respect to its Federally assisted Federal Highway Program:

4. The Recipient will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, *use*, or improvements thereon or interest therein to a Recipient.

7. That the Recipient will include the clauses set forth in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:
 - a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
8. That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvement thereon, in which case the Assurance obligated the Recipient, or any transferee for the longer of the following periods:
 - a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
 - b. the period during which the Recipient retains ownership or possession of the property.

9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.
10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this ASSURANCE, the Georgia Department of Transportation also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing the Georgia Department of Transportation access to records, accounts, documents, information, facilities, and staff. You also recognize that you must comply with any program or compliance reviews, and/or complaint investigations conducted by Georgia Department of Transportation.
