This Agreement is governed by *O.C.G.A. §§ 42-8-100 et. seq.* and the parties enter the agreement under the specific authority granted therein.

WITNESSETH:

WHEREAS, County wishes to contract with Contractor to provide probation services for the Probate Court of Walton County, Georgia, hereinafter referred to as “Court”; and

WHEREAS, Contractor is a company with the requisite professional staff, expertise, knowledge, and professional registrations or certifications and is licensed to provide said services; and

WHEREAS, Contractor has a Fee Schedule (which is attached hereto as Exhibit A and is incorporated herein by this reference) for the services to be provided and the costs of said services to be paid by those placed on probation by a Judge of the Court; and

Now, therefore, the County and Contractor, in consideration of the mutual covenants and promises contained herein do agree as set forth below:

Section 1: Contractor’s Services

The Contractor shall provide probation services including but not limited to:

1. The Contractor shall attend all regularly scheduled misdemeanor plea and arraignment hearings, and attend all other criminal hearings as requested by a judge or judge designee of the Court, for the purpose of providing private probation services for each probationer placed on probation during the hearings.
2. The Contractor shall maintain for the life of the Agreement a probation office within Walton County.
3. The Contractor shall conduct an initial interview with each probationer at the time of his or her sentencing or as soon as is practicable thereafter for purposes of explaining the scope of the Court order relative to fines, fees and/or restitution imposed as well as requirements and conditions, general and special, for probation supervision.
4. The Contractor shall meet with each probationer placed on probation under the supervision of the Selected Contractor at least one (1) time every thirty (30) calendar days. Probationers that do not comply with the probation guidelines and the Court order may be required to meet with their supervisor more than one (1) time every month. At the discretion of the Court, the Contractor shall provide intensive probation services that may include the requirement(s) for weekly reporting, home visits, telephone contacts, or a combination of any or all of these requirements. For probationers placed on intensive probation, the Contractor shall charge the probationer no more than the amount stipulated in the Fee Schedule one (1) time every month for as long as the intensive probation requirements are in effect.

5. The Contractor shall provide and service a Pretrial Intervention and Diversion Program (hereinafter "PTD"), or similar type of program, if the Court chooses to provide that program. In that case, a person required to participate in a PTD shall be supervised in the same manner as provided herein as a probationer, subject to the same fees and charges as provided in the Fee Schedule.
6. The Court shall have the sole responsibility of determining the appropriate programs, classes, or service(s) for each probationer and such will be explicitly listed as part of any Order by the Court. Acceptable providers for certain programs, classes or services shall be subject to the approval of the Chief Judge of the Court, including whether a program or class offered by an alternate provided by the Contractor is acceptable. Any alternate programs, classes or services approved by the Chief Judge shall be managed by the Contractor as part of the probation process in the same manner as any programs and services provided by the Contractor.
7. The Contractor shall collect from probationers if requested by the Court, Court ordered fines, restitution and other costs associated with orders, judgments, and sentences of the Court.
 - a. Any and all fines, surcharges, court costs and other fees shall be paid to the Court. Any and all monies collected from probationers by the Contractor must be submitted to the Court on no less than a monthly basis. All funds and payments shall be accompanied with reporting and accounting through integration with the Court's computer software system in a format as determined by the Court.
 - b. The Contractor shall collect fines, fees, restitution and court costs assessed to the probationer by the Court. The Court and Contractor agree that the priority of all moneys collected by the Contractor shall be as follows in all cases unless otherwise ordered: Per O.C.G.A. § 17-14-8 not less than one half of each payment to restitution before paying any portion of such fine or any forfeitures, costs, fees, or surcharges (divided equally among all victims); monitoring fees, drug and alcohol testing fees, probation fees currently due the company, victims compensation fee (arrears only), fines, statutory surcharges, other Contractor fees. The Contractor shall maintain a written report of all moneys received by the Contractor from each probationer. The Contractor will further provide a written receipt of all moneys paid to the Contractor by a probationer each time he or she makes a payment.
 - c. The Contractor shall collect from probationers only those fees specifically ordered by the Court, and not in excess of those charges listed in the Contractor's Fee Schedule. The Contractor shall not charge any probationer that has been declared by the Court to be indigent, any fees without specific authorization by the Court, and then only under those circumstances provided by the Court.
 - d. The Contractor shall assess a \$75 warrant fee per occurrence when a warrant is requested due to a probation violation and later signed by the Court. The Contractor will remit all warrant fees collected from probationers to the Court as a part of the records reconciliation and payment reimbursement process as prescribed in item number .25. The Contractor shall retain no portion of warrant fees ordered and/or collected.
8. Maintain fine, restitution or Court costs collected from the Probationers in a non-interest bearing account without benefit or profit from said accounts.
9. Under no circumstances shall any portion or percentage (%) of any fine monies or court fees collected be retained by the Contractor.

10. A nine dollar (\$9.00) per month surcharge shall be collected from each probationer placed on probation by the Contractor, unless the probationer is exempted by the Court, as required by Georgia law. The surcharge shall be sent by the Contractor to the Georgia Crime Victims Compensation Board on no less than a monthly basis pursuant to O.C.G.A. §17-15-13.
11. Contractor shall adhere to O.C.G.A. §42-8-103. When pay-only probation is imposed, the probation supervision fees shall be capped so as not to exceed three months of ordinary probation supervision fees notwithstanding the number of cases for which a fine and statutory surcharge were imposed or that the defendant was sentenced to serve consecutive sentences; provided, however, that collection of any probation supervision fee shall terminate as soon as all court imposed fines and statutory surcharges are paid in full; and provided, further, that when all such fines and statutory surcharges are paid in full, the probation officer or private probation officer, as the case may be, shall submit an order to the court terminating the probated sentence within 30 days of fulfillment of such conditions. The court shall terminate such probated sentence or issue an order stating why such probated sentence shall continue.
12. Contractor shall adhere to O.C.G.A. §42-8-103.1. When a defendant is serving consecutive misdemeanor sentences, whether as a result of one case from one jurisdiction or multiple cases from multiple jurisdictions, upon motion by the defendant, the court may discharge such defendant from further supervision or otherwise terminate probation when it is satisfied that its action would be in the best interest of justice and the welfare of society. Such motion shall not be ripe until 12 months after the sentence was entered and every four months thereafter. The defendant shall serve the applicable entity or governing authority that is providing his or her probation services with a copy of such motion.

Further, When a defendant is serving consecutive misdemeanor sentences, his or her probation officer or private probation officer, as the case may be, shall review such case after 12 consecutive months of probation supervision wherein the defendant has paid in full all court imposed fines, statutory surcharges, and restitution and has otherwise completed all testing, evaluations, and rehabilitative treatment programs ordered by the court to determine if such officer recommends early termination of probation. Each such case shall be reviewed every four months thereafter for the same determination until the termination, expiration, or other disposition of the case. If such officer recommends early termination, he or she shall immediately submit an order to the court to effectuate such purpose.
13. The Contractor shall coordinate community service work as required as a condition of probation by the Court. The Contractor shall cooperate with the Court to ensure that community service is done within the County limits of Walton County, Georgia, or as specified by the Court. The Court shall determine and define the work mission for all community service. Monthly tracking and reporting of all community service work is required in a format satisfactory to the Court.
14. The Contractor shall administer drug and alcohol screens to probationers only as directed by the Court. Probationers shall assume the cost of random drug testing, and shall pay those costs pursuant to the Fee Schedule provided.
15. The Contractor shall provide electronic monitoring of probationers only at the direction of the Court. Any electronic monitoring shall be in accordance with the attached Exhibit B. Probationers shall assume the cost of electronic monitoring, and shall pay those costs pursuant to the Fee Schedule provided. Monthly tracking and reporting of all electronic monitoring is required in a format satisfactory to the Court.
16. The Contractor shall prepare referrals and lend assistance to probationers either ordered to receive or who desire employment assistance or other forms of counseling.

17. The Contractor shall recommend to the Court early probation release if a probationer has fulfilled all court ordered requirements and has paid all fines. Continuing monthly probation supervision fees shall not be assessed against the probationer if the Court grants early release. Failure to notify the Court that a probationer has fulfilled all court ordered requirements and has paid all fines may subject the Contractor to refund any fees collected after such date that Court ordered requirements are met.
18. The Contractor shall advise the Court, by filing a petition for modification/revocation of probation, or petition for contempt, any time a probationer fails in a material way to comply with the conditions of probation. The Contractor shall appear in court and present such findings to the Court in such detail as to satisfy the Court of the need for any modification or revocation. The Contractor shall show the expiration date of any probation sentence on the face of any warrant.
19. The Contractor shall provide notice as required by law and return to the Court any probationer that does not, in the opinion of the Contractor, comply with the terms set forth in the court order of probation at which time the probation officer shall testify as to the circumstances of the case, giving the probationer full opportunity to refute any or all points. The officer shall comply with the Court's ruling in reference to sentencing or possible revocation of probation pursuant to the Court's procedures and Georgia law.
20. The Contractor shall maintain case files on each probationer to document compliance with the terms and conditions of probation, reporting dates, and contacts as they occur and the amounts and dates of all monies collected.
21. The Contractor shall adhere to O.C.G.A. §42-8-109.2 and maintain in a "confidential" manner all reports, files, records and papers of whatever kind relative to the supervision of probationers, and shall make the same available only to authorized employees of the Contractor and authorized personnel of the County of Walton, to those authorized by the Court, or as otherwise required by law. All information must be maintained and in compliance with the Georgia Open Records Law at all times.
22. In accordance with Georgia Department of Corrections Rules 105-2-.13 and 105-2-.14, the Contractor shall keep all reports, files, records and papers in a centralized location convenient to the County and shall make the same available only to the Court, Walton County officials or employees authorized by the Court, and as may be required by law. Such reports, records and papers are and shall remain the property of Walton County, Georgia.

The Contractor may retain confidential copies for its files if so desired.

Where not specifically defined above, the Contractor shall adhere to O.C.G.A. §42-8-108, O.C.G.A. §42-3-3, O.C.G.A. §42-8-106.1 and O.C.G.A. §42-8-109.2 as they relate to record keeping and reports required by Georgia State law.
23. The Contractor shall provide the Chief Judge of the Court, the appropriate agency, board or commission of the State of Georgia, and any others who may have authority, with a quarterly summary report that provides the number of Misdemeanor Probationers supervised by the Contractor; and the number of Misdemeanor Probationers for whom supervision or rehabilitation has been terminated, in as much detail as may be required by law, rule or regulation.

24. The Contractor shall, at a minimum, reconcile all records with the Court Clerk's office on a monthly basis. Records shall be made available to the Contractor on any normally scheduled workday, between the hours of 8:30 AM and 4:30 PM, upon request.
25. The Contractor shall only accept any modification to any original Court sentence as made by a court of competent jurisdiction.
26. The Contractor shall not own nor have a controlling interest in any finance business or lending institution that makes loans to probationers under its supervision for the payment of probation fees or fines. Neither shall the Contractor, nor any employees, agents or representatives, engage in any employment, business, or activity that interferes or conflicts with the duties and responsibilities of this Contract. Furthermore, neither shall the Contractor nor any of its employees, agents or representatives, own, operate or have any financial interest in, be an instructor at, or be employed by any private entity that provides drug or alcohol testing, education services or offers a DUI Alcohol or Drug Use Risk Reduction Program certified by the Department of Human Resources. Moreover, neither shall the Contractor, nor any of its employees, agents or representatives, specify or favor, directly or indirectly, a particular DUI Alcohol or Drug Use Risk Reduction Program that a probationer may or shall attend. This paragraph shall not prohibit furnishing any probationer, upon request, with the names, addresses and telephone numbers of known, certified DUI Alcohol or Drug Use Risk Reduction Programs.
27. The Contractor shall supervise all persons assigned to probation by the Court with an average ratio of probationers to staff of no greater than three hundred (300) to one (1) for active cases with conditions. Further, the Contractor shall supervise all "payment-only" cases at a ratio in compliance with best practices as established by Department of Community Supervision's Adult Misdemeanor Probation Oversight Unit.
28. The Contractor shall ensure that any person it employs or contracts with as a private probation officer:
 - a) is at least twenty-one [21] years of age at the time of appointment to the position of private probation officer pursuant to O.C.G.A. §42-8-107;
 - b) Has completed a standard two [2] year college course; provided however that any person who is so employed as a private probation officer as of July 1, 1996, and who has at least six [6] months of experience as a private probation officer shall be exempt from such college requirement pursuant to O.C.G.A. §42-8-107;
 - c) Has received an initial forty [40] hours of orientation upon employment and has received twenty [20] hours of continuing education per annum as approved by the Georgia Department of Community Supervision, provided that the forty [40] hour initial orientation shall not be required of any person who has successfully completed a probation or parole officer basic course of training certified by the Peace Officer Standards and Training Council or any private probation officer who has been employed by a private probation corporation, enterprise, or agency for at least six [6] months as of July 1, 1996 pursuant to O.C.G.A. §42-8-107; and
 - d) Has not been convicted of a felony [to ensure that its private probation officers have not been convicted of a felony, the Contractor shall conduct a documented criminal record check on all its private probation officers] pursuant to O.C.G.A. §42-8-107.
 - e) Where not specifically defined above, Contractor shall adhere to Georgia Department of Community Supervision Rules 105-2.09 and 105-2.12 related to employee qualifications, initial training and continuing education.

29. Under no circumstances shall costs or charges be incurred by the Court or the County from the Contractor for services rendered to the Court or the County. Under no circumstances shall the Court or the County be invoiced, receive a statement or otherwise be billed for services rendered or for the reimbursement of expenses incurred during the rendering of services.
30. As is necessary, the Contractor shall provide updates to the Court on any changes in state and/or national laws or regulations that are relevant to probation, probationary services, etc. Such updates shall be provided in a manner and at a time that is convenient to the Court. This obligation shall be carried out by the Contractor at no cost to the County.
32. Conflicts of Interest: The Contractor shall deliver to the County Clerk an affidavit certifying that the Contractor has no interest and will not acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance of services to the County. The affidavit shall further state that in rendering services to the County that no persons having any such interest shall be employed by the Contractor. The Contractor assumes full responsibility for knowing whether its officers, employees, agents or anyone providing services under this Agreement has any such interest and for certifying the absence of such conflict to the County.

During the course of performing services for the County, the Contractor shall disclose immediately to the County, by affidavit, every known or apparent conflict of interest and every ostensible or potential conflict of interest of the Contractor's County's, officers, employees, agents or anyone providing services under this Contract. The duty to disclose is a continuing duty. In the event of an apparent or actual conflict of interest during the course of performance, the County may terminate the agreement by written notice. Nothing herein shall be construed as limiting or waiving the right of the County to pursue damages or other remedies.

The Contractor shall not disclose any data, facts or information concerning services performed for the County or obtained while performing such services, except as authorized by the County in writing, or as may be required by law.

33. Follow all rules, regulations and policies set forth by the State of Georgia, Department of Community Supervision (DCS), Misdemeanor Probation Oversight Unit (MPOU) and any and all agencies, boards, commissions or similar bodies that govern the activities and services provided under this Contract.

EXHIBIT B

ELECTRONIC MONITORING

In addition to the terms and provisions set forth in the above referenced Agreement, the following terms shall apply to all electronic monitoring services provided under the Agreement, if any.

SERVICES AND RESPONSIBILITIES OF SOUTHEAST CORRECTIONS

Monitoring Services. Southeast Corrections will provide the following monitoring services to the Court for the Court's operation of an electronic monitoring program. The monitoring services provided hereunder are specifically designed to determine by electronic means the presence of a person at a specified location (typically that person's place of residence).

Southeast Corrections will perform the functions of data entry and data storage for all properly enrolled Probationers. The data entry function consists of the input of all required demographic, curfew, and system configuration information on each case into the central host computer system.

Southeast Corrections will maintain twenty-four (24) hour, seven (7) days per week management of Probationer data enrolled hereunder.

Southeast Corrections will provide notification of Alert conditions to authorized and identified Court's staff. Alert notification will be in accordance with Section (Standard Monitoring Program Level) herein or as agreed upon in writing by the Court and Southeast Corrections.

Alert Condition and Equipment status information for each Probationer will be documented and maintained by Southeast Corrections.

Notification Options.

Standard Monitoring Program Level. The Standard Monitoring Program has as its primary intent the non-immediate monitoring of compliance to ordered conditions. This program does NOT provide 24-hour enforcement of conditions. This program is NOT recommended for high-risk probation cases. At this level of monitoring, the Court determines that next business day (or later as determined by the Court) notification is acceptable on any and all violations incurred during the monitoring period.

Other Notification Levels. Because certain electronic monitoring equipment provides round-the-clock monitoring, it is possible to increase the notification frequency for higher-risk cases. In such cases the Court may desire more immediate notification; Southeast Corrections will increase the level of notification provided appropriate Court personnel can be made available for response. In the absence of written notification procedures to the contrary, the Standard Monitoring Level will apply.

Maintenance. Southeast Corrections shall maintain the Equipment at its expense. The Probationer shall be responsible for lost or missing Equipment and/or the cost of required repairs necessitated by the Probationer's negligence or the damage or destruction of the Equipment by parties other than Southeast Corrections. The Court will assist Southeast Corrections in enforcement of this policy.

EQUIPMENT. Southeast Corrections shall supply a sufficient quantity of Units to meet the Court's need subject to forty-eight (48) hour notice prior to shipment.

MONITORING SYSTEM

Description. The monitoring system utilized hereunder is an active GPS monitoring system consisting of a GPS anklet, PTU, and a central computer system. The Units communicate with the host computer system through the Probationer's standard telephone service or internal cellular phone capability as needed.

System Maintenance. The Court acknowledges that periodic maintenance on the host computer system is required. During the performance of this maintenance, the system may be required to be temporarily "off-line". The Court will be notified in advance of any such situation.
