Ref: Debris Removal RFP Recommendation

Rhonda,

The Walton County Emergency Management Agency has completed its review of the proposals submitted for debris removal services. Seven companies submitted proposals, and each was evaluated using criteria set forth in the Request for Proposals.

Based on this evaluation, Walton County EMA has determined that **Southern Disaster Recovery, LLC (SDR)** offers the most advantageous proposal to meet the County's needs. This recommendation is made with confidence in their ability to deliver the required services effectively and in the best interest of Walton County.

Respectfully

Carl Morrow
