INMATE HOUSING AND JAIL REIMBURSEMENT CONTRACT

THIS AGREEMENT is made and entered into this 10th day of January 2022 between Washington County, a political subdivision of the State of Georgia and its Sheriff, and **Walton County** Georgia, a political subdivision of the State of Georgia, and its Sheriff.

WHEREAS Washington County and its Sheriff (collectively referred to from this point forward as "County") and Walton County and its Sheriff (collectively referred to from this point forward as "Providing County"), mutually agree to the following terms:

HOUSING

At the discretion of the Washington County Sheriff, Chief Jailer, or their designee, Washington will make its jail facility available to Providing County to house its prisoners to the extent that space and resources allow. In addition, Washington County will provide regular maintenance services for all Providing County prisoners housed in the County's jail facility.

Ordinary prisoner's maintenance services shall be defined as those ordinary and relatively routine human needs common to all prisoners as defined by the Washington County Sheriff or Chief Jailer.

The Providing County will provide an Arrest and Booking Report to the Washington County Chief Jailer or his/her designee (by mail, email, or fax) for each Providing County inmate before the scheduled transfer. Any medication or pertinent medical information will be made available as well. Additionally, all inmate property will be separated and labeled with the inmate's name before transport to prevent lost or mixed property.

The Washington County Sheriff or Chief Jailer has the right to refuse any prisoner who, in judgment, exhibits disruptive or volatile behavior that may jeopardize the safety and security of the Washington County Jail. Behaviors may include but are not limited to self-harm, chronic non-compliance, aggressive acts towards staff and inmates, damage to the facility and its property, or any potentially infectious illness that may reasonably place other inmates and staff at risk.

TRANSPORTATION AND DELIVERY OF PRISONERS

Providing County will be responsible for all transportation of housed inmates.

PER DIEM FEE

Providing County shall pay fifty-five (\$55.00) dollars per day for the cost of offering routine maintenance services to each of its prisoners housed in the Washington County Jail. In addition, if a Providing County inmate is booked into the Washington County Jail and released within a twenty-four (24) hour period, a per diem fee will be accrued for one (1) day.

MEDICAL SERVICES

Providing County shall reimburse Washington County for all medical services and medication provided by Washington County to any Providing County inmate. Any medical treatment other than emergency medical care (including, but not limited to, prescription medications, treatment of specific conditions and illness) shall require prior notice to and approval by Providing County. Providing County may authorize treatment for the inmate or return the prisoner to its custody for appropriate evaluation and treatment. In the event of a medical emergency involving a Providing County inmate, prior notice and approval for treatment may

not be feasible as these events are time sensitive. Washington County will, however, notify Providing County of the medical emergency as soon as reasonably possible. The decision whether a medical condition requires emergency care shall be at the sole discretion of Washington County's medical provider. Suppose a Providing County inmate receiving emergency medical care is transported to the Emergency Room or admitted to the hospital. In that case, it shall be the responsibility of the Providing County to arrange for personnel to relieve the Washington County transport deputy and assume custody until the inmate is medically cleared to return to the Washington County Jail. Providing County's reimbursement to Washington County for "emergency health care" and "follow-up care" (as those terms are defined in O.C.G.A. 42-4- 12) shall be no more than the applicable Georgia Medicaid rate for such emergency health care and follow-up care.

INVOICES

Washington County shall keep an invoice including all Providing County inmates housed in the Washington County Jail. The invoice will be made available to Providing County monthly and detail all Providing County inmates housed at the Washington County Jail and the number of days each inmate was housed during the specified month.

PAYMENT

The per diem and reimbursement of expenses are due and payable to Washington County thirty (30) days after Washington County's invoice. Suppose the Providing County fails to make payment within thirty (30) days after the due date. In that case, all Providing County inmates housed by Washington County will be returned to the Providing County facility.

NOTICES

Official notices, payments, and correspondence to Washington County shall be delivered in person, transmitted by regular mail, or certified mail, and postage prepared to the County Board of Commissioners, Washington County, Sandersville, Georgia.

RECORDS AND AUDITS

Washington County agrees, upon request, to furnish Providing County or its agents all records of housing and maintenance of Providing County's prisoners in the county jail facility. Providing County shall have the right to audit all financial data of the fees and expenses charged to Providing County for the housing and maintenance of prisoners, which right shall survive the term of this Agreement. The Washington County Sheriff or Chief Jailer shall maintain a record of each Providing County's prisoner, including the duration of confinement.

MODIFICATION

This Agreement may be changed at any time during its term of operation. Changes, modifications, and deletions shall only be effective if made in writing and signed by the appropriate authorities of each party.

TERMINATION

This Agreement may be terminated by either party for any reason upon thirty (30) days prior written notice to the other party of the intended date of termination. In addition, Washington County may terminate this Agreement and refuse to accept Providing County's prisoners if Providing County fails to remit all monies due promptly.

TERM

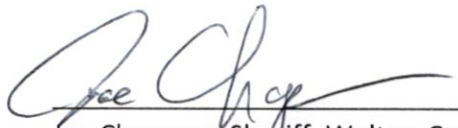

The term of this Agreement shall be One (1) year, effective immediately, and shall automatically renew annually for a maximum of four (4) consecutive one (1) year terms unless terminated per this Agreement. After the fourth annual renewal, there shall be no further automatic renewals unless a new agreement is executed between the parties.
