Re: Letter of Intent
Rezoning Request
Property: 1730 Lee Peters Road, Loganville

To whom it may concern,

I am requesting rezoning parcel number C0610082, located at 1730 Lee Peters Road, Loganville, GA, from A1 to R1. The current lot is 4.85 with over 600 road frontage so there is enough land to support additional lots, as represented by the attached site plan.

There are residential subdivisions to the east and west of this property, so R1 zoning for this lot correlates with the surrounding area. The 2022-2026 Walton County Comprehensive Plan shows this area as suburban, to which the proposed rezone relates.

I believe that rezoning this property for residential use is consistent with the Comprehensive Plan and will be of economic value to the county and the area.

Thank you for your consideration,

Alicia Zinner
