## TERMS AND CONDITIONS

- Agreement.** This Contract constitutes the entire agreement between Builders Fence Company ("Contractor") and Customer and supersedes all prior discussions, proposals or agreements by and between the parties. Modifications to the terms of this Contract shall only be enforceable if in writing, signed by both parties. Changes to the Construction Specifications and/or price after execution of this Contract shall require a written change order signed by both parties, except as expressly provided for herein. Customer represents and warrants that he/she/they are the owners of the real property identified on the front page of this Contract, upon which the Project shall be constructed, and that they are authorized to enter into this Contract for the improvements described herein.
- Cancellation.** Either party may cancel this Contract without charge or obligation within seventy-two (72) hours after execution (the "Rescission Period") and all amounts paid by Customer to Contractor shall be promptly refunded. No work on the project will begin until after the expiration of the Rescission Period. If Customer cancels this Contract after the expiration of the Rescission Period but before construction begins, Contractor shall be entitled to retain the deposit provided for on page 1 this contract, plus all costs incurred by Contractor prior to Contractor receiving written notice of cancellation from Customer. Once work on the Project has begun, this Contract may not be cancelled, and Customer shall be responsible for the Total Price, even if Customer elects not to have the Project completed. The amounts to be paid or retained by Contractor under this Section shall be deemed liquidated damages, to compensate Contractor for the expenses, lost profits and other amounts incurred, and not as a penalty or forfeiture.
- Site Access, Condition and Restoration.** Customer shall provide Contractor with adequate access to the Project site and all utilities needed to complete the Project. Customer shall be responsible for clearing the entire Project site (including, without limitation, both sides of the proposed fence line, if applicable) of all materials, brush, debris and timbers used to hold back the soil prior to the Estimated Start Date. The Total Price does not include any clearing and any such work shall be billed and paid by Customer at the rate of One Hundred Dollars (\$100.00) per hour. The Total Price assumes that no rock, boulder or other obstructions shall be encountered and that the soils will be of sufficient quality to allow for normal installation processes to be utilized. Customer shall be responsible for all additional labor, materials and equipment required to remove any rock, boulders or other obstructions or to provide such additional foundations for the Project as may be required due to soil conditions. All dirt and other excavated materials shall remain on the Project site and Customer shall be responsible for removing such materials unless otherwise specified herein. Contractor assumes no responsibility for damage to any yard features or landscaping that is moved, disturbed or destroyed during the course of construction. Contractor shall have no obligation to repair or replace yard features, or to reseed or sod the yard. Customer shall be responsible for backfilling any gaps located at the bottom of the fence due to variations in grade.
- Fence Location and Property Boundaries.** Customer bears sole responsibility for the location of the fence. Contractor is not responsible for determining property lines, boundaries, set-backs or easements and is not responsible for any costs associated with removing or replacing any fence that is deemed to be built outside of the property boundaries or found to encroach within set-backs or easements.
- Project Completion and Acceptance.** The Project shall be deemed completed upon the Contractor's delivery of a Completion and Acceptance Notice which is attached to the invoice. The Project shall be deemed completed by Contractor and accepted by Customer, unless, within five (5) days after delivery of Completion and Acceptance Notice, Customer notifies Contractor in writing of Customer's non-acceptance and the reasons for such non-acceptance.
- Permits and Approvals.** Customer shall be responsible for applying for and obtaining any and all required county or other local government permits, approvals and inspections, Home Owners Association approvals, copies of plat, and signed documents required for permits and other applications, except for any permits, approvals and inspections that are required by law to be requested by or in the name of Contractor or as otherwise specifically provided for herein.
- Locating of Utilities.** Contractor shall be responsible for contacting Miss Utility to identify all participating public underground utilities. Customer shall be responsible for locating all non-participating public utilities and all private underground utilities and systems, such as plumbing (including septic systems and lines), gas lines, cable lines, sprinkler systems, lines and components and wiring. Contractor shall not be responsible for any damage to or the cost of repairing utilities or systems that are not properly marked or identified and Customer shall indemnify and hold Contractor harmless for and from any such costs or damages incurred by Contractor or any third-party as a result of such improper marking or identification.
- Delays.** The Estimated Completion Date represents Contractor's best estimate of the time it will take to complete the Project absent any weather delays, interruptions in labor or material supplies, Acts of God, differing site conditions, payment or other defaults by Customer or other unforeseen circumstances. Accordingly, Contractor does not guarantee that the Project will be completed by the Estimated Completion Date, and shall not be responsible for any delays in completing the Project. In addition, the Total Price assumes and is based upon the uninterrupted construction of the Project. In the event Project is delayed due to the actions, failure to act or defaults of Customer, Contractor shall pay to Contractor all additional costs incurred as a result of such delays, including, without limitation, a trip fee of \$150 for each additional trip required to complete the Project.
- Insurance.** Customer shall carry fire, windstorm and other necessary insurance for the property upon which the Project is to be constructed. Contractor will carry workers compensation and liability insurance.
- Warranty.** Contractor will provide labor at no cost to the original owner for replacement of materials considered defective by the manufacturer under the terms and conditions of the manufacturer's limited warranty for the period of one (1) year. Contractor's workmanship is warranted against defects for one (1) year from the date of completion of the Project (the "Warranty Period"), which warranty is expressly conditioned on Contractor's nameplate remaining on the structure and Customer properly maintaining the structure for the full Warranty Period. The materials utilized in the construction of the Project are subject to the applicable manufacturer's warranty, if any, and are not warranted by Contractor. Moreover, Customer has been advised and understands that wood is a natural product and, as such, shrinking, warping, cupping and cracking or checking is normal and to be expected, even with proper maintenance. Such conditions are not covered by Contractor's or manufacturer's warranty. THE EXPRESS WARRANTY PROVIDED HEREIN IS THE SOLE AND EXCLUSIVE WARRANTY MADE BY CONTRACTOR TO A MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW. CONTRACTOR EXPRESSLY DISCLAIMS ALL OTHER REPRESENTATIONS AND WARRANTIES OF EVERY KIND, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND FITNESS FOR INTENDED USE. CUSTOMER UNDERSTANDS THAT ANY INK, STAMPS OR DRYING MARKS ON THE MATERIAL ARE FROM THE MILL OR MANUFACTURER AND CONTRACTOR IS NOT RESPONSIBLE FOR THEIR REMOVAL. THIS WARRANTY IS NOT EXTENDED TO OWNER PROVIDED MATERIAL OR TO ANY REPAIR WORK.
- Remedies and Limitation of Liability.** If any of Contractor's workmanship proves defective and Customer provides Contractor with written notice of such defect during the Warranty Period and all other conditions for warranty coverage have been satisfied, Contractor shall repair the Project, which shall be Customer's sole and exclusive remedy. In the event the defect is not due to Contractor's workmanship, but rather due to the failure of the Project materials, it shall be Customer's obligation to secure replacement materials and to pursue all material warranty rights, if any, with the material manufacturer(s). In the event of a warranty repair, the Warranty Period shall not be extended. CONTRACTOR'S OBLIGATION TO REPAIR ANY DEFECTIVE WORKMANSHIP, PURSUANT TO THE TERMS OF THIS SECTION, SHALL BE CUSTOMER'S SOLE AND EXCLUSIVE REMEDY FOR ANY AND ALL LOSSES OR DAMAGES RELATED TO THE CONSTRUCTION OF THE PROJECT AND CONTRACTOR'S OBLIGATIONS AND PERFORMANCE HEREUNDER. CUSTOMER SHALL NOT BE ENTITLED TO ANY OTHER DAMAGES OF ANY KIND, INCLUDING, WITHOUT LIMITATION, ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES, REGARDLESS OF THE THEORY OF LIABILITY. Under no circumstances shall Contractor's liability hereunder exceed the maximum of (a) the amount of money actually paid by Customer to Contractor, or (b) One Dollar (\$1.00).
- Customer Default.** If, for any reason, Customer fails or refuses to pay the Total Price, or any portion thereof, pursuant to the Payment Terms provided herein or to perform any of Customer's other obligations hereunder, Customer shall be in default. In such case, Contractor shall be relieved of any further obligation under the terms of this Contract, and shall be entitled to retain all funds paid to it through the date of such default and to the immediate payment of the balance of the Total Price. All materials used in the construction of the Project shall belong to Contractor until customer makes full payment of the Total Price. If Customer defaults upon its payment or other obligations hereunder, in addition to Contractor's other rights under this Contract and Virginia law (including, without limitation, the right to file a mechanics lien), Contractor shall be entitled (a) to remove all materials from Customer's property, in addition to exercising all of its other rights under this Contract and applicable state law, and (b) to recover from Customer all costs, fees and expenses (including all legal fees and costs) incurred by it, whether or not litigation is commenced.
- Applicable Law; Disputes.** This Contract and the rights and obligations of the parties hereunder shall be governed and resolved exclusively by the laws of the Commonwealth of Virginia. Exclusive jurisdiction over any and all lawsuits or other actions filed to resolve any disputes arising out of or in any way related to this Contract or to enforce any right hereunder shall be in the General District and Circuit Courts of Loudoun County, Virginia, to which jurisdiction the parties hereby consent.
- Severability.** It is the parties' intention and agreement that, should a court of competent jurisdiction determine that any provision or portion of any provision contained in this Contract is unenforceable, invalid or void, that the balance of the Contract or affected provision, as applicable, be enforced to the full extent possible consistent with the parties' intentions as expressed herein.
