

# Quarterly Report

## Police Department

Town Council Meeting Date: February 13<sup>th</sup>, 2024

Second Quarter FY-2023: October, November, December

Please accept this as the quarterly report for the department

- 1) **Department introduction:** The Warrenton Police Department is a state accredited, full-service law enforcement agency. We provide patrol, investigative, parking and community engagement services, The department is authorized 28 sworn officers, 1 sworn, part-time parking enforcement officer, and three civilian employees. Each of our employees, both sworn and civilian, is well-trained. Our personnel use up-to-date equipment to better serve our citizens.
- 2) **Commendable Achievements:** The Police Department filled its remaining vacant police officer position in early October to become fully staffed again. This last hire, along with two prior hires in the months before, meant the Department was slated to have three recruits start the next session of the Rappahannock Regional Criminal Justice Academy scheduled to begin in mid-October. Two additional recruits were already in the academy at that time and they graduated from the academy in December 2023. Unfortunately, one of the three recruits slated to enter the academy in October was involved in a serious traffic crash just prior to it and was physically unable to attend it. Ultimately, they resigned from the department to attend to their injuries and related matters. The Department lost another officer at the end of October who resigned to pursue a law enforcement career with another agency for higher pay and greater advancement opportunities. Currently, the Department has two police officer position vacancies.

Members of the Police Department participated in and/or supplied law enforcement services for numerous special and community engagement events during the last quarter such as National Coffee with A Cop Day, The Great Pumpkin (Bicycle) Ride, Gobble Gobble Run or Wobble 5K, the Latino Festival, Bigfoot Littlefoot 5K Run for Life, Fauquier High School Homecoming Parade, Trunk or Treat at the WARF, Flashlight Candy Hunt at Rady Park, Halloween Parade, Warrenton Volunteer Fire Company's Fire Prevention Event, Black Lives Matter Vigil for Action, Domestic Violence Candlelight Vigil, Oktoberfest Beer Festival at Silver Branch Brewery, Old Town Warrenton Fall Festival, First Friday, Warrenton Farmers' Market Winter Market, Warrenton Farmers' Market Holiday Market, and Summer Concert Series.

The Police Department continued its work preparing for our State accreditation assessment which occurred November 13-15, 2023. The Police Department has been state accredited through the Virginia Law Enforcement Professional Standards Commission (VLEPSC) since 2007. The assessment was a review of the 191 standards for efficient and effective agency operation. These standards cover all aspects of the agency including policies and procedures, management, administration, operations, and support services. To verify compliance, a team of VLEPSC

assessors conducts a three-day site visit.

The three person VLEPSC assessment team arrived on the morning of November 13, 2023, escorted by our Accreditation Manager, Brian Larkin, and our Public Information and Community Engagement Officer (PICEO) Rachel Shockey. My accreditation team comprised of Major Andrew Arnold, Lieutenant Alvaro Moran, Lieutenant Justin Pierce, Property & Evidence/Training Officer Kevin Turner, Detective Corporal Matthew Eggers, Corporal Jeffrey Shaver, Chaplain Wally Smith, and Senior Administrative Assistant Jennifer Bush greeted the assessment team at the front of our building. We were joined by Mayor Carter Nevill, Interim Town Manager Frank Cassidy, and Facilities & Fleet Manager Johnny Switzer. The assessment team was impressed with the appearance of personnel from outside of the police department to greet them and made note of this later that night at dinner with the accreditation team.

Our assessment went very well, especially considering some of the challenges that we had within the last 12 months leading up to the assessment. These challenges included the retirement of our long-time accreditation manager about a year prior to our assessment, the initial unavailability of our newly hired accreditation manager due to unforeseen medical issues, and unexpected department personnel changes that shifted the workload and responsibilities to others less familiar with the details of the accreditation process. At the conclusion of the assessment, the assessment team found the Police Department to be in compliance with all except five of the applicable VLEPSC standards. These five standards were corrected to the satisfaction of the assessment team.

At their next meeting on March 7, 2024, the Commission will review the assessment team's report and decide on whether to approve the Warrenton Police Department for reaccreditation. Chief Carter and members of the accreditation team will attend the meeting and answer questions from the Commission prior to their decision.

During the past quarter the Warrenton Police Department and the Fleet Department continued working toward a police vehicle project being funded by the American Rescue Plan Act Law Enforcement Equipment and Technology Grant Program (LEE), for which we were approved in the amount of \$60,000. This non-matching grant will be used to purchase a hybrid law enforcement vehicle and associated equipment, reducing the overall police department vehicle purchasing costs to the Town for FY24 and continuing the Police Department's commitment to fiscal efficiency and environmentally friendly operation. Various equipment purchases toward the project were made during the quarter and required grant reporting to DCJS was handled by the Police Department with assistance from the Fleet and Finance Departments.

- 3) **Project Progress:** The Police Department has not had any large-scale projects during the past quarter.
- 4) **Charts and information:** See the included statistical reports for the months October through December 2023.

5) **Data:** See appended reports
