

TOWN OF WARRENTON

PO BOX 341
WARRENTON, VIRGINIA 20188-0341
<http://www.warrentonva.gov>
(540) 347-1101

Potential Excess Properties

Table contains parcels identified as having the fewest property constraints and the highest ease of divestment.

*Potential Partial Excess Properties**

Table contains parcels with constraints that may result in difficulties to sell. Some of these parcels have potential salability if boundary adjusted into neighboring parcel, but are not otherwise buildable on their own. Additional parcels may be sold if the Town operations currently housed within them are moved to a new location.

Cannot Sell

Table contains parcels identified as public amenities with some having potential for public private partnerships.

Not Buildable

Table contains parcels with property environmental constraints, resource protection areas, and infrastructure use that prohibits the further development of the property.
