Re: Warrenton Village Center SUP - Conditions of Approval

Dear Denise:

This firm represents the applicant in the above-referenced matter, NewCastle Development Group.

Please accept this letter as evidence of the applicant's agreement to add a commitment to provide low-flow toilets in the residential units that are the subject of the requested SUP.

Please let me know if I can provide anything further, thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Kedrick N. Whitmore", with a stylized, cursive script.
