- 3-5.2 PUD - Planned Unit Development District
- 3-5.3 HD - Historic District

3-4.11 CBD Central Business District

3-4.11.1 Legislative Intent

Legislative Intent. The intent of this district is to provide for orderly development, infill and revitalization of the central business and commerce area of the Town of Warrenton in accordance with objectives, policies, and proposals of the Comprehensive Plan of the Town; and for the logical and timely development of the land for primarily business purposes providing for higher density residential development, especially on the upper floors of structures on Main Street and encouraging a lively retail environment at the street level of Main Street. The district is designed to encourage the following:

- Re-use of existing buildings in ways that are compatible with and supportive of the purposes of the district and of the Comprehensive Plan.
- Preservation of the unified, historic character of the district and its function as the retail and service center for Town citizens and visitors.
- The creation and reinforcement of the street as a public space, defined by buildings fronting the street, to create a harmonious pedestrian environment for Town citizens and visitors.
- Mixed uses within the district, including mixed uses within single structures: to encourage better utilization of existing structures and a diversity of housing types in the CBD.
- A uniformity of design to ensure the orderly arrangement of buildings, land uses, and parking areas, and all construction hereafter proposed for this area.
- A cohesive interrelationship of buildings in order to ensure a harmonious environment, allowing a degree of variety in building design provided said variety is within the overall historic, human-scale design framework of the district.
- Maximization of a beneficial interrelationship between vehicular facilities (streets and parking lots), pedestrian facilities (sidewalks, malls and plazas), and commercial establishments, with a particular focus on pedestrian, convenience and safety.
- The provision of adequate, appropriately located off-street parking facilities.
- The architectural design and arrangement of buildings and spaces so as to conform to the general character and plans of the district.

3-4.11.2 Permitted Uses (by-right)

- Accessory buildings
