

Town Council Public Safety & Transportation Committee

Transportation Improvement

September 5, 2019

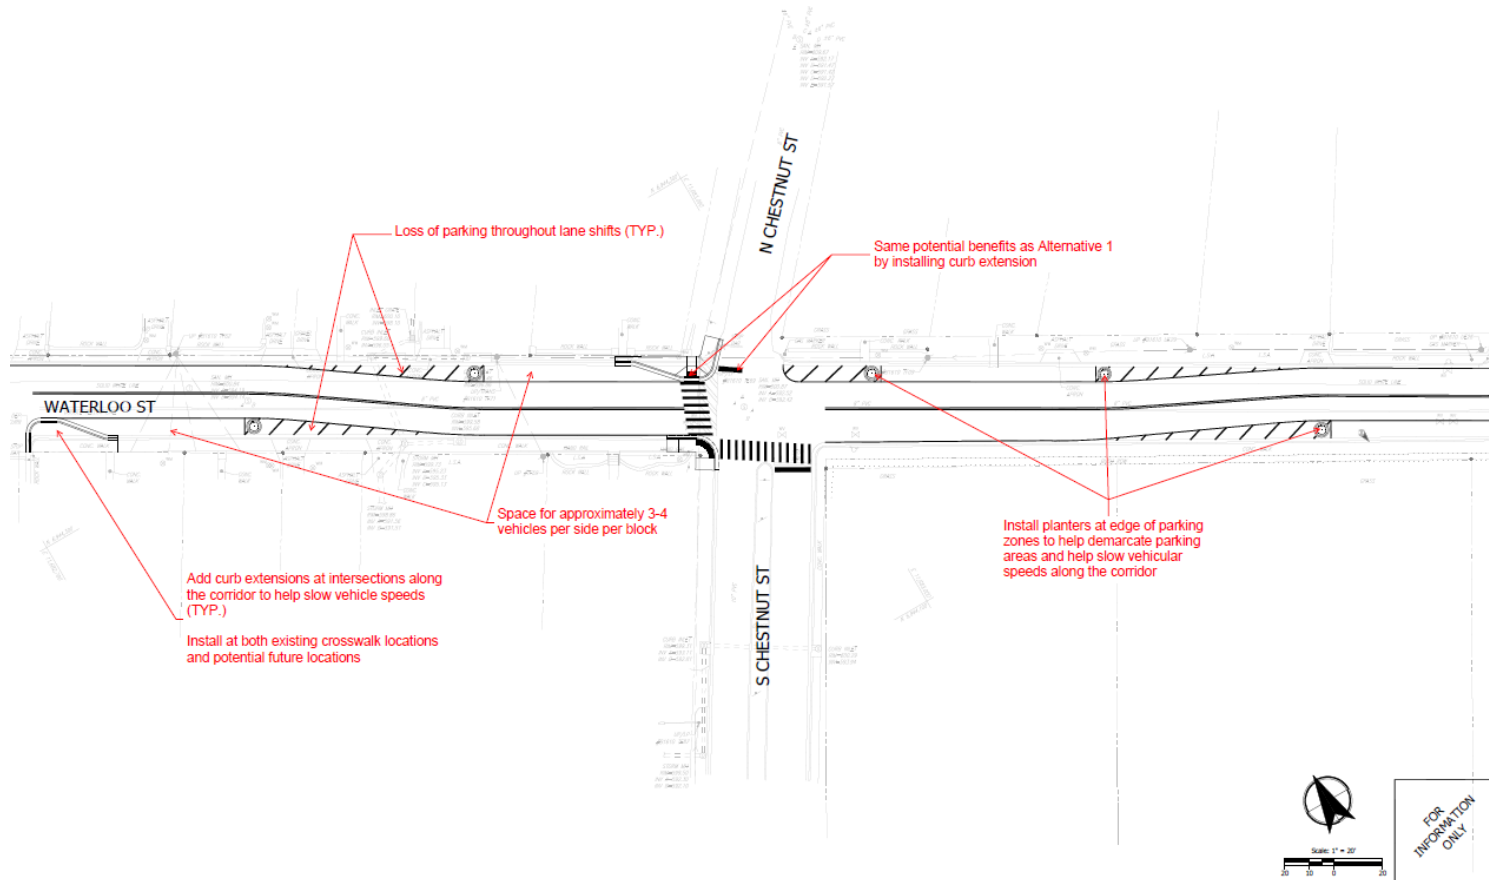

Revenue Sharing Grant

Waterloo & Chestnut Streets
Intersections Improvements

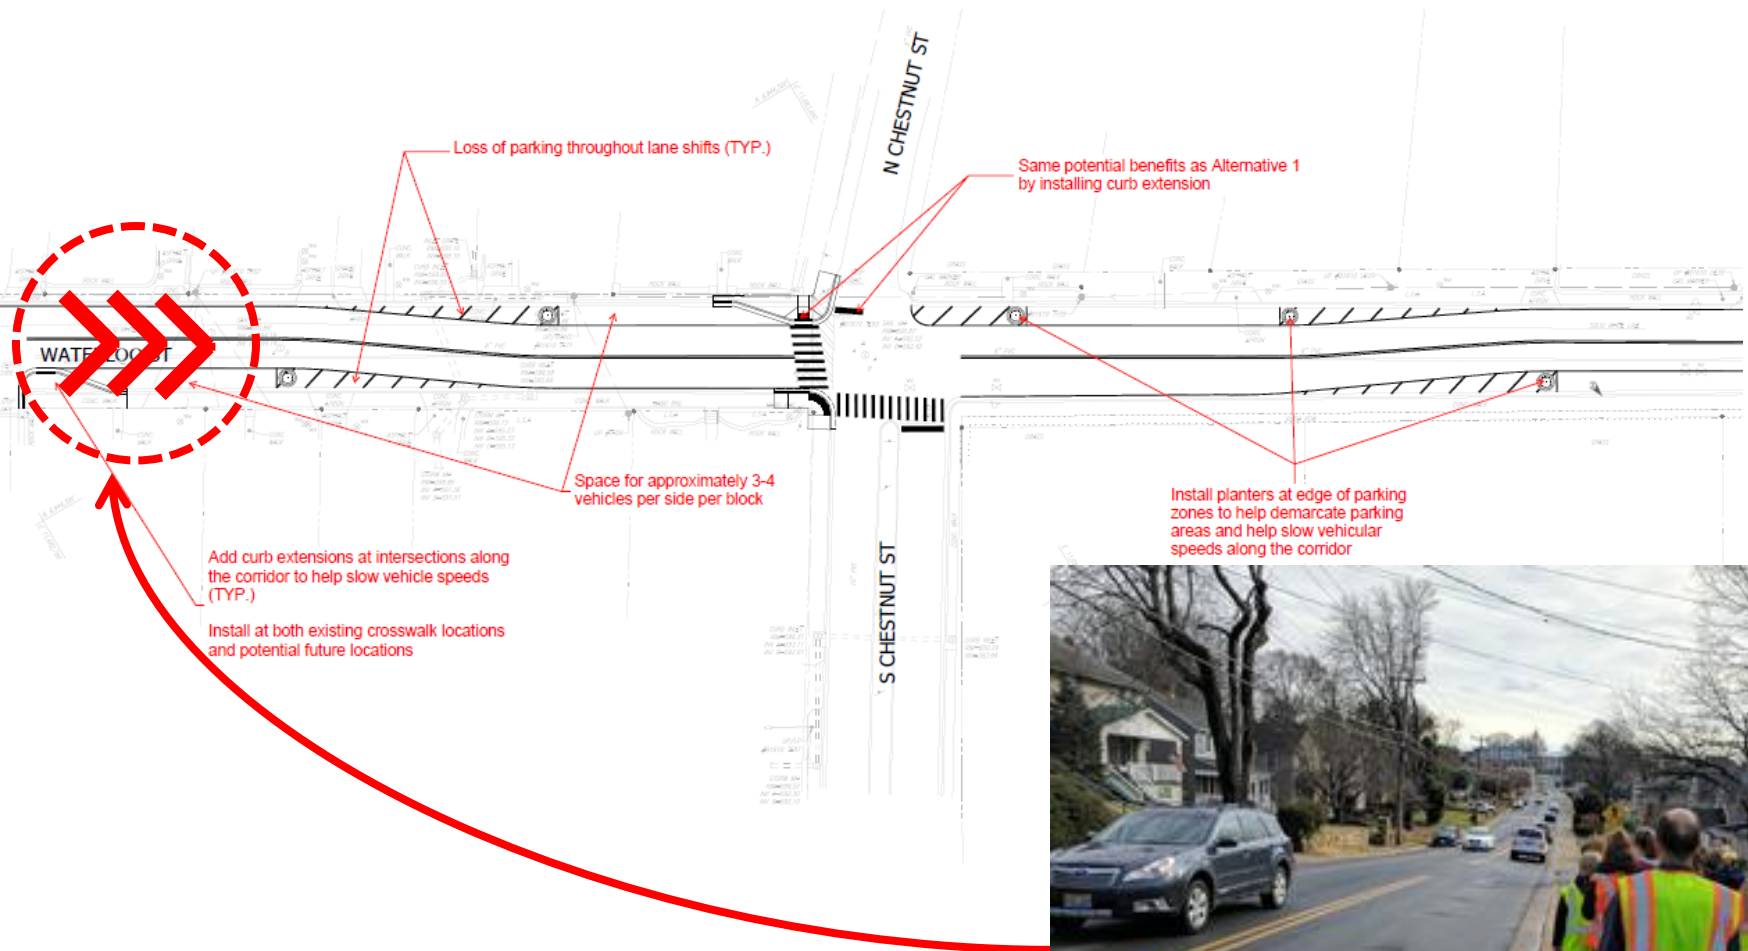

Background

- August 8 Committee Presentation of Concepts
- August 8 Town Council Direction to Apply for VDOT Revenue Sharing Funds
- Applications due October 1
- Total Request: \$100,000
- \$50,000 Match
- Leverage appropriated State of Good Repair funds

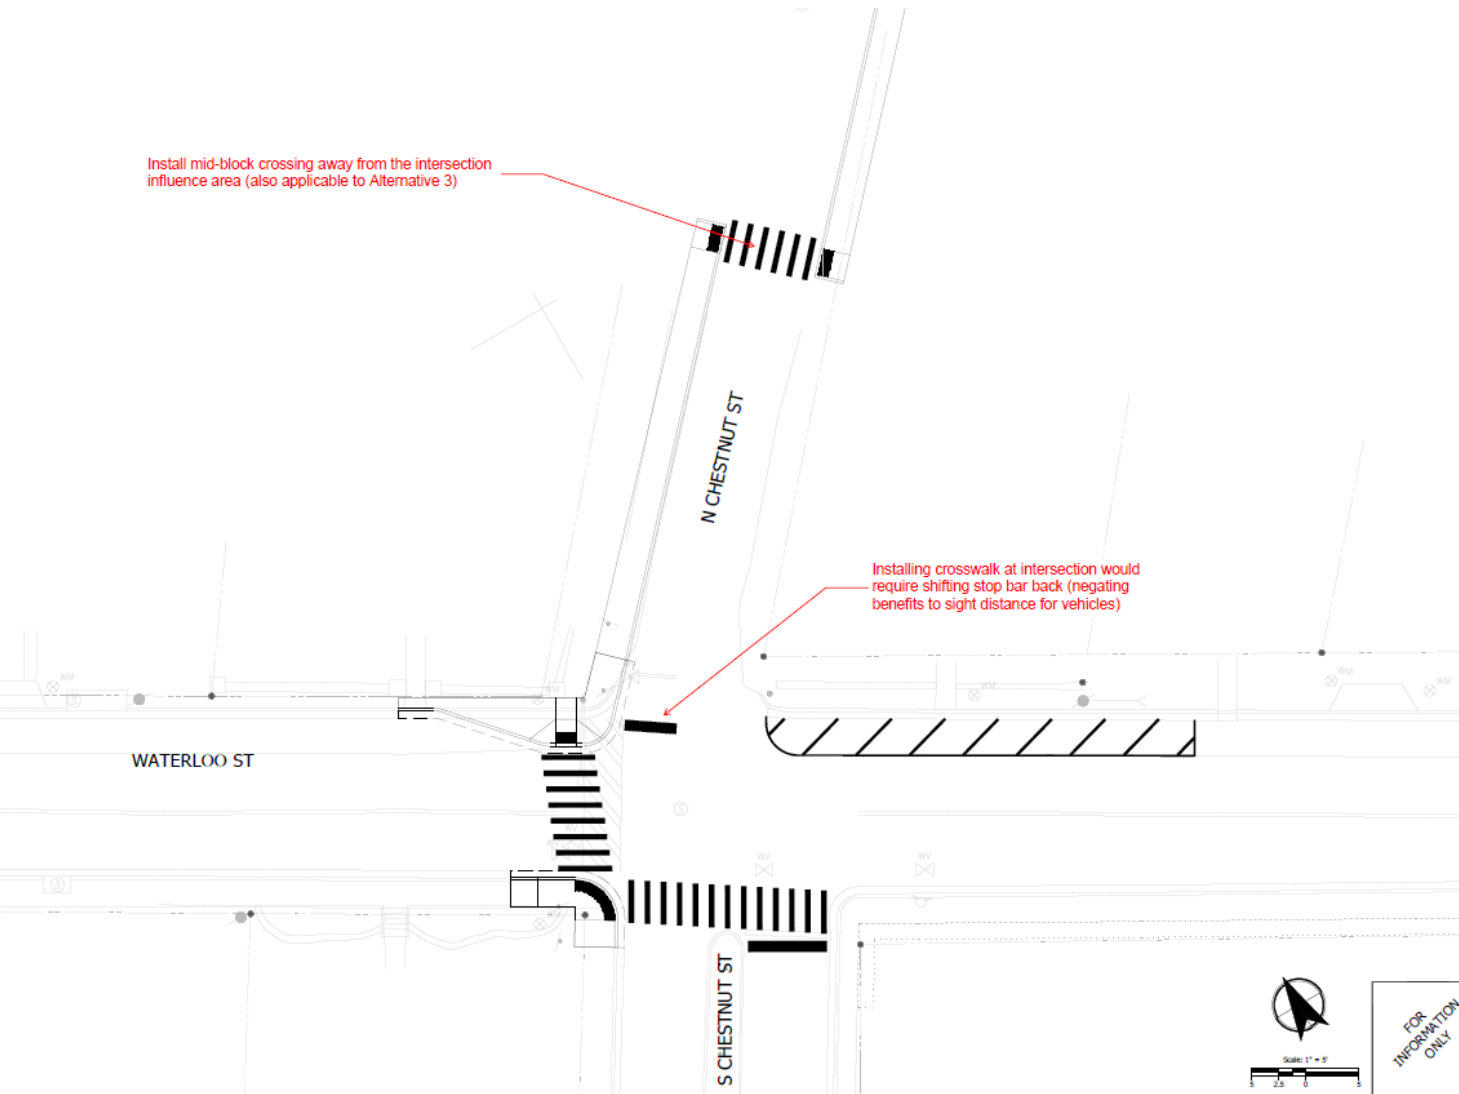

Concept 3

Concept 3

Concept 3 Addition

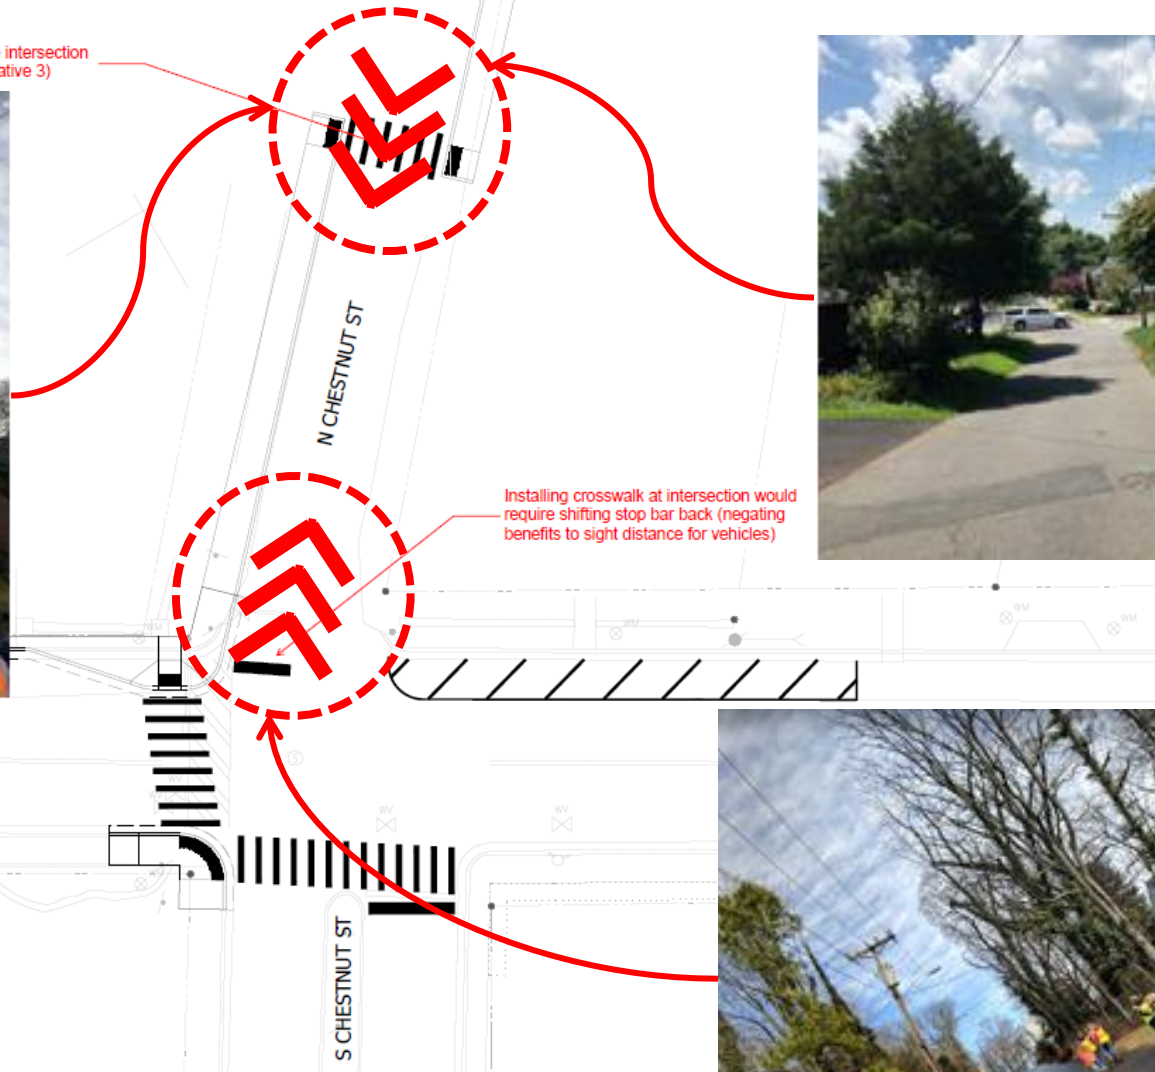

Concept 3 Addition

Install mid-block crossing away from the intersection influence area (also applicable to Alternative 3)

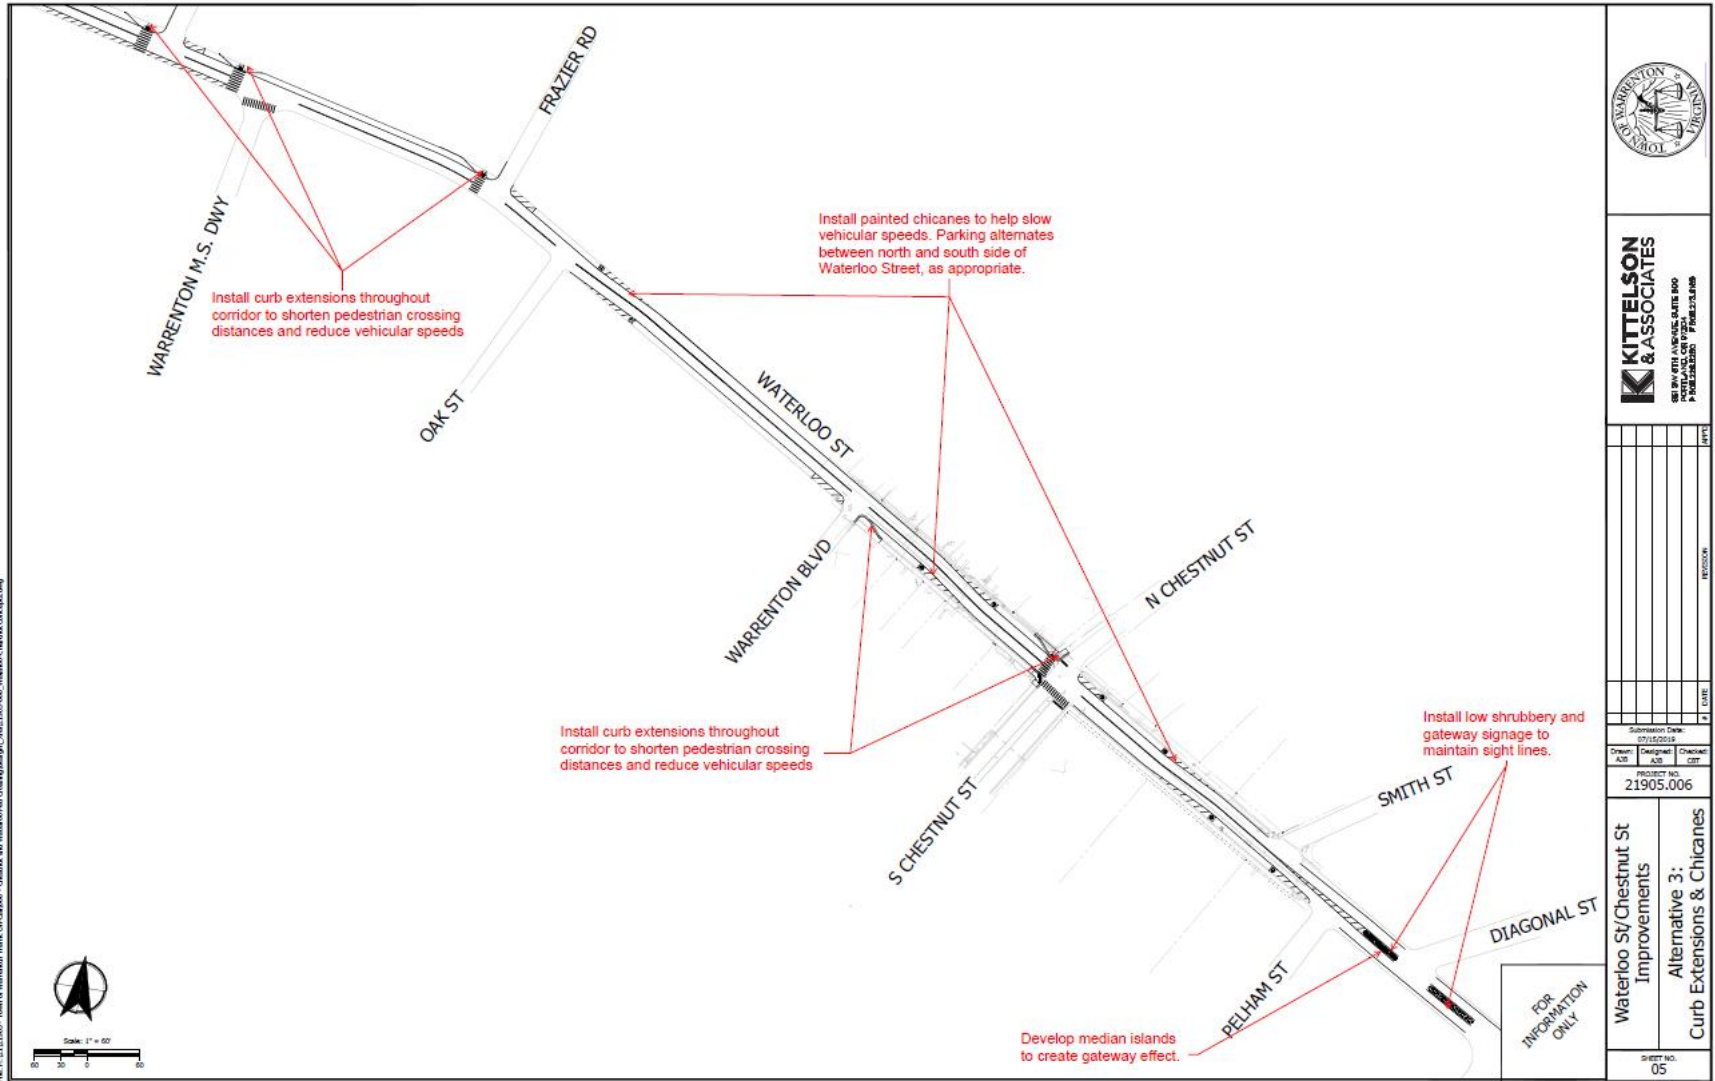

WATERLOO ST

Installing crosswalk at intersection would require shifting stop bar back (negating benefits to sight distance for vehicles)

File: 10-121\21005 - Town of Warman\Traffic On Call\006 - Chertroat and Watford Road Crossing\about_gal_2002\21005-006_Waterloo-Chertroat_Concepts.docg

On-Site Community Meeting

- August 29th
- Approximately 25 people
- Expressed concerns over speed and sight lines
- Interest in proposed Concept 3 and extended chicanes on Waterloo
