

S.U.P. Car Dealership 71 South Fifth St

1. Parking Diagram

2. Employees parking can be any of the four spaces in front of building

3. Alternative loading and unloading. I own the lot next door and that will handle additional loading if needed without using public road.

4. I do not intend to use any additional signage.

5. I do not intend to change the lighting

6. I have 24 hour surveillance on the entire property

7. In the last 40 years I have owned the property there has until recently

Always been a dealership on this location.
