

Quarterly Report

Police Department

Town Council Meeting Date: August 11, 2026

Fourth Quarter FY2026: April, May, June

Please accept this as the quarterly report for the **Police** department

Department introduction:

The Warrenton Police Department is a state accredited, full-service law enforcement agency. We provide patrol, investigative, parking and community engagement services. The department is authorized 27 sworn police officers, 1 sworn, part-time parking enforcement officer, 1 part-time Accreditation Manager, and 3 full-time civilian employees at the positions of Property & Evidence Specialist, Records Specialist, and Operations Coordinator. Each of our employees, both sworn and civilian, is well-trained. Our personnel use up-to-date equipment to better serve our citizens.

Commendable Achievements:

The Police Department hired Brian Singh, a certified officer from the Orange County Sheriff's Office. Following a short orientation/field training period, Officer Singh was released to solo patrol.

The Police Department lost several employees during the past quarter including Stacey Gonzalez (medical), Heritage Whitesell (changed agencies), and Accreditation Manager Brian Larkin (retirement). The Police Department continues to aggressively recruit both certified and non-certified officers for its vacant positions.

Officers Tanner McMinn and Alyssa Mullins graduated from the Basic Law Enforcement Academy in June. They are both currently undergoing field training.

Deputy Chief Andrew Arnold recently completed University of Virginia's Master of Public Safety program. This accomplishment was a continuation of Major Arnold's studies at the FBI National Academy, which upon graduation earned him credit toward police executive leadership courses at UVA.

Additionally, Major Arnold was appointed by the Town Council as the Town's Emergency Management Coordinator at the June meeting.

Lieutenant Justin Pierce graduated from the prestigious FBI National Academy at Quantico, Virginia. Attendance is by nomination only, with less than 1% of law enforcement professionals worldwide experiencing the program. Lieutenant Pierce is now pursuing his Master of Public Safety degree as well.

In the fourth quarter, special event season really ramps up, and members of the Police Department participated in and/or supplied law enforcement services for numerous special events, community engagement events, and public meetings to include TRIAD, First Fridays, BLM Vigil for Action gatherings, Town Council meetings, ARB meetings, COTG meetings, Fauquier Cultural Heritage Festival, Touch-A-Truck events, citizen ride-a-longs, Flags-In, Flags-Out, Juneteenth, DEA Drug Take Back Day, Warrenton Town Limits, political gatherings/rallies, and others. Most of these events were staffed by officers who were on their day off. Warrenton PD volunteers, donating their time to benefit the Police Department, also participated in several events such as Warrenton Town Limits.

Project Progress:

The Police Department has focused significantly on filling vacant positions. We have four recruits in training at our basic law enforcement academy, as well as two officers in field training. Taking this into account, we still have four sworn vacancies (15% vacancy rate) and one civilian vacancy across the department, for a total of eleven operational vacancies (34% total vacancy rate). The impact of our vacancies in sworn positions is:

- Increased use of overtime to cover shifts when officers are on leave or in training, when additional responsibilities require upstaffing (special events, special assignments, mental health emergency custody details, etc.), or to handle duties normally handled by a position that is currently vacant.
- Proactive policing of all types declines due to lack of manpower
- Increased workload and stress for existing officers
- Strain on community relations due to reduced community engagement
- Recruitment and training challenges
- Command staff and specialized personnel utilized to cover patrol and necessary tasks during times of lean staffing

These impacts are being mitigated through the hard work and dedication of WPD staff. Still, we face stiff competition, both from the public and private sector, for an increasingly smaller pool of applicants in both sworn and civilian positions. Law enforcement agencies in our region are adapting to the changing landscape, increasing their pay and/or benefits to keep pace with other agencies and attract applicants. To remain as competitive as possible, we have adjusted internal recruitment and hiring practices, and we

continue working with the Town's Human Capital and Finance Departments on pay, benefits, and internal structure and cultural changes.
