

Quarterly Report

Public Works

Department

Town Council Meeting Date:

4th. Quarter FY-2026:

Kindly accept this as the quarterly report for the **Public Works** department.

Commendable Achievements:

- Richard Benavidez completed his Leadership Course.
- Brandon Wagoner received the Richard R Wines Award during National Public Works Week.

Project Progress:

- The Street Crew constructed and painted a new fence surrounding the playground area at the WARF.

- Our Public Works & Utilities Department hosted its 5th Annual Touch A Truck event, welcoming more than 850 attendees. The weather was perfect, and our team enjoyed engaging with the community and showcasing our skills.

- The Land Management Crew bush-hogged and trimmed the area surrounding the Airlie Dam.

- The Street Crew updated the road striping at the intersection of Lee Hwy and Blackwell Park Lane to create two distinct turning lanes, replacing the original single-lane configuration.

- The Land Management Crew provided essential assistance with cleanup efforts at the cemetery after the storm brought down trees and large limbs.

- Our Public Works Crew partnered with a contractor to remove hazardous trees along the dead-end section of Alexandria Pike.
