The Town of Warrenton has made it easy for its citizens to be better informed and more involved in the day-to-day business and operations of the government. The involvement is vital for us to maintain a healthy community that continues to meet the needs of its residents. In our effort to solicit even more citizen participation, we offer the Your Town Academy.

The academy is designed to give participants an insight into the operation of various departments of government. The goal of the academy is to have better informed citizens who will bring their specialized knowledge of how the Town government works back to their respective neighborhoods.

A series of eight informational sessions are presented each week at various government locations around the Town. Town government experts will discuss diverse topics, often with a hands-on approach to learning about specific services provided by the Town. To participate, candidates do not need to live in the Town, but priority will be given to Town residents. Participants are encouraged to attend all sessions, with no more than two absences.

Every Wednesday from
