Town Council
Regular Meeting
Res. No.

**A RESOLUTION TO DEALLOCATE SUPPORT FOR A REVENUE SHARING GRANT FROM THE VIRGINIA
DEPARTMENT OF TRANSPORTATION FOR IMPROVEMENTS TO THE INTERSECTION OF WALKER
DRIVE AND LEE STREET**

WHEREAS, at the August 13, 2019, meeting of the Warrenton Town Council, the Town Council voted to apply for a revenue sharing grant from the Virginia Department of Transportation (VDOT) for improvements to the intersection of Walker Drive and Lee Street; and

WHEREAS, the estimated project cost at that time was \$1,400,000, which resulted in a commitment of Town funds by the Council in the amount of \$700,000; and

WHEREAS, in Fiscal Year 2023, VDOT provided an updated total cost estimate for the project in the amount of \$9,307,453, which would require the Town's portion of the funding to increase from \$700,000 to \$8,607,453; and

WHEREAS, given the cost escalation, the Town Council has not appropriated funds for the project in the last four fiscal years and VDOT has now placed the project on the deallocation list to remove funding for the project due to no activity; and

WHEREAS, the Town Council desires to investigate other solutions for this corridor and intersection;
and

NOW THEREFORE, BE IT RESOLVED, by the Town Council of the Town of Warrenton this 13th day of January 2026, that the previous resolution of support is reversed to deallocate the commitment of funds for this project.
