Soccer fields have no lights for the kids to practice.

Too many kids and not enough square footage of playground

Our own personal work schedules

Not that interested

Swim lessons fill up fast. The times are not convenient

I go visit every day.

Lack of seating space and shade for adults and lack of shade for children on play structures

Not enough nature trails in general Warrenton locale

Busy schedule

Busy with activities outside of Warrenton

everyone does not get up their pets waste

Would like more information on each park and trails

Nothing really

We are newcomers to Warrenton, and older. We would welcome a newcomers club of some kind.

Out of town/on vacation/scheduling conflict

Would visit Greenway if there were actual bathrooms and not just porta-potties.

None

Na

Lack of shade at playgrounds

I visit

I have no reason other than laziness

NA

WARF elevator is not operating half the time, limiting handicapped access. Also, some other locations

Too hot, more shade on playgrounds is needed

Not interested

no reason

I had a surgery that made driving and walking difficult this year. But I will resume more activities this year

n/a

Don't feel safe on Greenway

Parking- this especially pertains to the Greenway trails

I do wish that we had some longer hike and bike trails. The Warrenton Greenway is a great start!

During swim team season, there are not enough lanes available during my available time.

I am not prevented from going to parks

n/a, nothing prevents me

There seem to be some good spots for that. Would also like to see some continued development along the Greenway

I love to see additional park/nature conservation/community gardens spaces within Warrenton to When walking my dog, if I go all the way to the end, I have to come back before there's any water. My water bill is always over 400 in those months due to lack of ways to keep cool and having to use the pavilion and picnic tables at Rady Park need replacing. option for community members and their families.

WARF. The WARF needs new equipment and it isn't getting it. New paving isn't enough. We need a facility to use some facilities like hiking and walking. WARF is most important facility to me. Do what we can. I've already get raped with double taxes of everything else. If my fee goes up I won't be going there for sure. The building of new homes more people will be paying taxes and using facilities so fees should not be too high. WARF is a really good place to have fun and meet people. In Culpeper there is a group for Senior Citizens

along the Greenway! Wonderful parks!

Put together more community events on town-grounds. I'd also like to see the WARF be more connected

to the heart of our community & I value it highly. Please keep it going!

WARF because it has been consistently in need of cleaning.

Connect to another bike route that would eventually connect to Rady Park, The WARF, The Greer. The WARF playgrounds, why not the one close to the heart of town??

arent.

however, improvements have been made to RADY, EVA WALKER & the WARF. It is in dire need of repair to use with the holes in it. There is no lightning even though there is lightning for the hockey rink. The WARF needs maintenance and causes injuries. Parents avoid using because of the maintenance issue. The WARF is a great place to go. In time, the rest will come. Town needs to maintain the existing before adding new. The WARF has excellent facilities close to Warrenton and in Warrenton. Maintenance needs to be improved -- the WARF is a great place to go. The fundraising for a park bench at the dog park. I enjoy the walkways around the WARF. Don't use the WARF as a highway

BUT some are in desperate need of maintenance. The indoor areas on the play side pool at the WARF are in need of maintenance. Been a WARF member for that time, and I love the WARF (although the new leg machine

is needed. WARF membership rates for non-town residents should be raised considerably.

There is no need for 3-4 people to check people in. It is not a difficult job.

Use of Main Street to attract family tourists; implement Eva Walker plan.

the WARF and Greenway. We love our parks and playgrounds and look forward to using them and put a park on that side of town in surrounding parts of Fauquier County and hardly known in Warrenton. Zero publicity. Zero funding. The shade canopy is overdesigned structurally, and as huge as it is, only covers 4 swings. The similar facility. Lighting unnecessarily increases both operational and maintenance costs, disturbs parks to find tennis courts, and even then, they are often busy.

Make a town's character so anything we can do to keep or enhance those things I would be willing to do all ages. I am thankful (and proud!) that we have the WARF and all of its amenities.

Good workout if no classes are available at the time you visit.

it of the exercise areas there too. Eva Walker is nice to have near town but would like to see it develop within town limits. I would love to see the undeveloped space, if the intent is to develop, on Walker Drive better for him. I use my own sprinkler or kiddie pool. Warrenton needs a splash pad. However, it would need to be for recreation and wellness.

splash pad. Check the warrenton moms fb group. It's all the moms talk about. Recreation will need whatever it takes to keep and maintain it. It's already expensive to bring the whole family as it is being raised for town residents' needs. Is there a similar group here in Warrenton? I think it is a need.

need of new mulch, which is required. The equipment is worn and it's in substandard shape. Promised to be replaced. It is too close to the hockey rink. Parents watching hockey let small children run and play all over the park. It requires materials that are weather resistant and don't require as much ongoing maintenance, and additional features or no one will visit the rundown park. We definitely do not need a splash pad. The fencing and the small bridge at the WARF are in bad shape. The WARF is a great facility, but it doesn't utilize other Town/Parks and Rec facilities much. The ones I do use seem well-maintained, but it's not the WARF.

WARF is in a state of disrepair and looks pretty bad. Shower areas and family locker rooms are in bad shape. (I wish they'd bring back the old one.) The WARF is a real gem. I haven't used the outdoor pool in years.

for many years. The highest priority should be to make sure that's possible before expanding.

ree passes as coupons to bring people in. Zero presence at fairs, festivals, and community events. "inclusive" amenities appeal to such a small minority of the town population. I think the gross amount of light pollution (e.g., it disrupts bird migration), and further erodes citizen enjoyment of the night sky.
