Good morning Mr. Wargo, please review the attached documents that you have provided and ensure they are correct. I am gathering information for your proposal to submit to council's agenda today. If you have additional information that you would like submitted, please provide. I will reach out to you by end of day with additional information, time, date and location regarding the upcoming council meeting. If you have any questions, please feel free to let me know and I would be more than happy to assist.

Thank you,

**Steven Friend**
