Subject: Discuss proposal for Strategic Plan and plans for applying for a Capacity Building Grant from the GWCHF

## Background

Trustees have voted to move ahead with completing a strategic plan for the future of the library. A library focused organization has been secured. A proposal has been submitted for board review. Trustees will also discuss applying for a grant to cover the costs associated with completing the plan.

## Budget Goal

## Financial Impact

If the grant is secured, library funds will not be impacted.

## Recommendation

This will need to be a decision by trustees but WILS is a respected and reliable resource used by many state libraries.
