

## Administration Department

**To:** Members of the Finance Committee

**From:** Mayor Emily McFarland

**Date:** August 26, 2024

**Subject:** Grant for Inclusive Park

### Finance Committee Members,

In addition to the materials you have in your packet, I am seeking your permission below as it pertains to grants for the inclusive recreational area:

1. All grants that do not require a city financial match can be applied for and accepted after review by the Finance Director.
2. All grants that require a city financial match or an in-kind match of city services, will be reviewed by the Finance Committee prior to acceptance.

These small adjustments will allow us to more seamlessly apply for and received grants for this project.
