Thursday Night Markets (4-7): June 27; July 25, Aug 22, Sept 26

- 27 vendors so far and at least 2 food options at each
- Have music for Aug 22, but need for the other 3 dates. Recommendations for under \$300 welcomed.
- Looking for 3 more nightly \$300 sponsors.
- Would still like some unique artisans and musicians/entertainers. Please recommend and I will contact.
- Still working on getting Farmers. Approved to be able to attend at no cost.

Thirsty Thursdays (5-9pm) June 27; July 25, Aug 22, Sept 26

Brewfinity will be here along with some food, games and music – Brand new needs lots of programming yet!

Food Trucks at Senior Center while construction going on!

Just and FYI: We are also finding organizations to work the concessions at BQ Softball Tournaments being hosted by a new company: Seminole Sports

Food Truck Mondays (4-7) almost every Monday June 10th and ends on Oct 21st

Food Truck Monday Pop-ups: (11-2) 1x/mo (added for in-town peeps to get lunch)

- Min 2 per each event. Printed schedule coming soon
- We are still working thru permits required for parking in various areas.
- We are going to also have games at the Food Truck pop-ups now as the Health Department requires transient food trucks are only allowed if they are part of an event. So, we now have a huge Connect Four game, corn hole, giant checkers and hopefully Kart Park.

Maintenance Updates at the Square

- New mulch put down, new annuals have been and will continue to be planted.
- Splash pad has a new smaller valve installed. This will help cut down water flow and save some money. We are continuing to alter the programs for best flow and still be fun for kiddos. We are also working to get the chlorine levels at a point where we can discharge to river. Not there yet.
- A tarp was installed on the main structure last week. The quotes we received are just too high at this point. See handout of what we looked at.
- Still working with structure designs to install on lower stage. I will look closer at project again late summer.
- We are going to be putting food trucks on the square at times this summer. This will possibly crack some pavers. We are looking to get the pavers converted to concrete next year. We could use your help with finding funding for this. Sponsorships, grants, etc.
- We are planning to use jersey barriers for Main Street/Water Street closures w/ type 3 barricades in front of them. Streets Dept will be placing signs at Church/Main & Milwaukee/Water notifying the road is closed ahead for each closure.
- The PD will be locking up after each concert they are present for. There is a possibility they will not be each concert. The request was made though.

- Wayfinder from Leadership will be installed soon. Concrete will be poured after Birthday Bash and wayfinder installed once complete at manufacturer. See Photo

- A memorial bench will also be installed in the lower level facing the Masonic Temple within the next few weeks.
- We were given an easement to put trash cans and trailer on at the old T-Wall property for 2024 while bridge construction is going on.
-

A big thanks to the Streets and Engineering department for being so helpful with all the “unknowns” we are addressing at the square. Portos and placement, Food Truck Mondays, Senior Center Food Truck parking, etc.!

Fall 2024 & 2025 Planning

Looking for ideas for programming from all of you. What do your peeps want to see?
