RE: Amend Section 428-8(g) Subsections 3 & 7 Open Container

Committee Members,

The Parks, Recreation, & Forestry Department has put together recommended changes to the ordinance 428-8(g) Subsections 3 & 7 Open Container. This will update the existing requirement for logoed 16 oz containers and logoed wristbands, when serving alcoholic beverages, to allow for generic options to these items. These logoed items are very costly and would help reduce expenses.

We are looking for recommendation to move to common council after approval from the Chief of Police and advice from Public Safety and Welfare.
