Subject: Bench at Washington Park

### Background

Through the Parks, Recreation and Forestry Department, we have a memorial program set for donations such as trees, benches, and picnic tables. If anyone would like to donate a designated item in memory of a loved one, the department has an application process that is followed.

Vicki Bartz would like to honor her mother by placing a bench at Washington Park as there is another bench at this location in memory of her father.

Along with this memo is the application from Vicki Bartz.

### Budget Goal

- Fosters community growth by assessing opportunities, stakeholder input, environmental needs, and modern code and policy priorities

- Proactively maintains and improves our parks and infrastructure to ensure safety, quality, and equity

### Financial Impact

There is no financial impact as all fees for the donation will be paid by the applicant.

### Recommendation

The Parks, Recreation, and Forestry Department would like to recommend the approval of this application for a bench at Washington Park.

Motion: Motion to approve bench and location of application.
