Review and take possible action: An Ordinance to Amend Section 500-9 Parking prohibited in specified places

BACKGROUND:

A portion of S. Water Street between W. Main Street and Emmet Street was narrowed as part of the 2022 Town Square/S. Water Street Reconstruction Project. Parking, per ordinance, is still permitted on the narrowed section of S. Water Street and should be removed to allow for safe passage of the traveling public. Designated street parking on the reconstructed section of S. Water Street was incorporated into the design and will remain, see red hatched area below. A draft ordinance is attached for Committee review.
