

I AM PROPOSING TO BUILD A 32'X54' OUT BUILDING IN THE NORTH EAST CORNER OF MY PROPERTY TO STORE MY EQUIPMENT IN TO KEEP IT OUT OF THE ELEMENTS. I WOULD LIKE TO RESTORE THE CURRENT BARN A 14'X28' STRUCTURE THAT HAS BEEN THERE FOR OVER A 160 YEARS. IT WAS BUILT BY MY GREAT GRANDFATHER AND MY GRANDFATHER. I WOULD ALSO LIKE TO MOVE THE 10'X14' SHED TO THE WEST SIDE OF THE BARN AND ATTACH IT TO THE BARN. IT WOULD STORE ALL THE GARDEN EQUIPMENT FOR THE COMMUNITY GARDEN PLOTS I HAVE. THE CURRENT DETACHED 22'X24' GARAGE WILL BE REMOVED OR DEMOLISHED

THANK YOU
