

Why I rent the upstairs apartment

After moving into 114 Bloom St. with my daughter and son, renovations took place immediately.

One main change was the master bedroom upstairs (above) the garage into an apartment. Its change

made it comfortable for a single adult. It

has a small kitchenette, bathroom, closets

living space and balcony. I charge \$375.00

without utilities. By keeping the rent ~~to~~ low,

it helps the student financially and gives her

privacy. I have made it available to

Maranatha Students in past years. This way, they

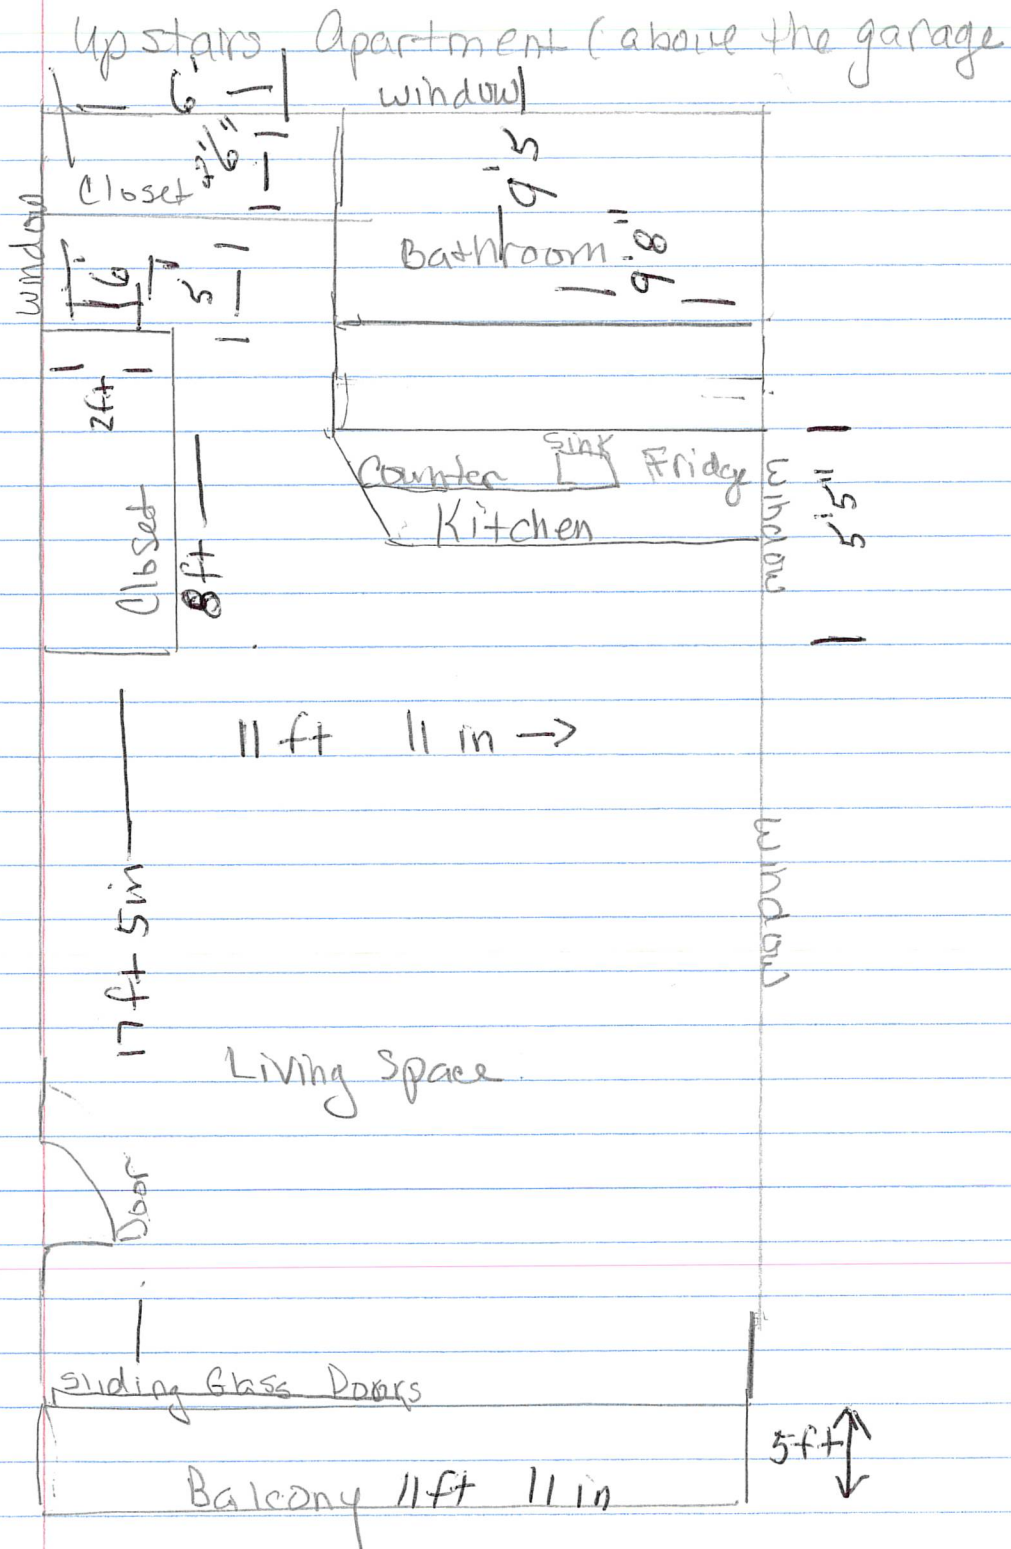

don't have far to travel. I have had 4 girls

and 1 boy - my son since 2019 - 1 person

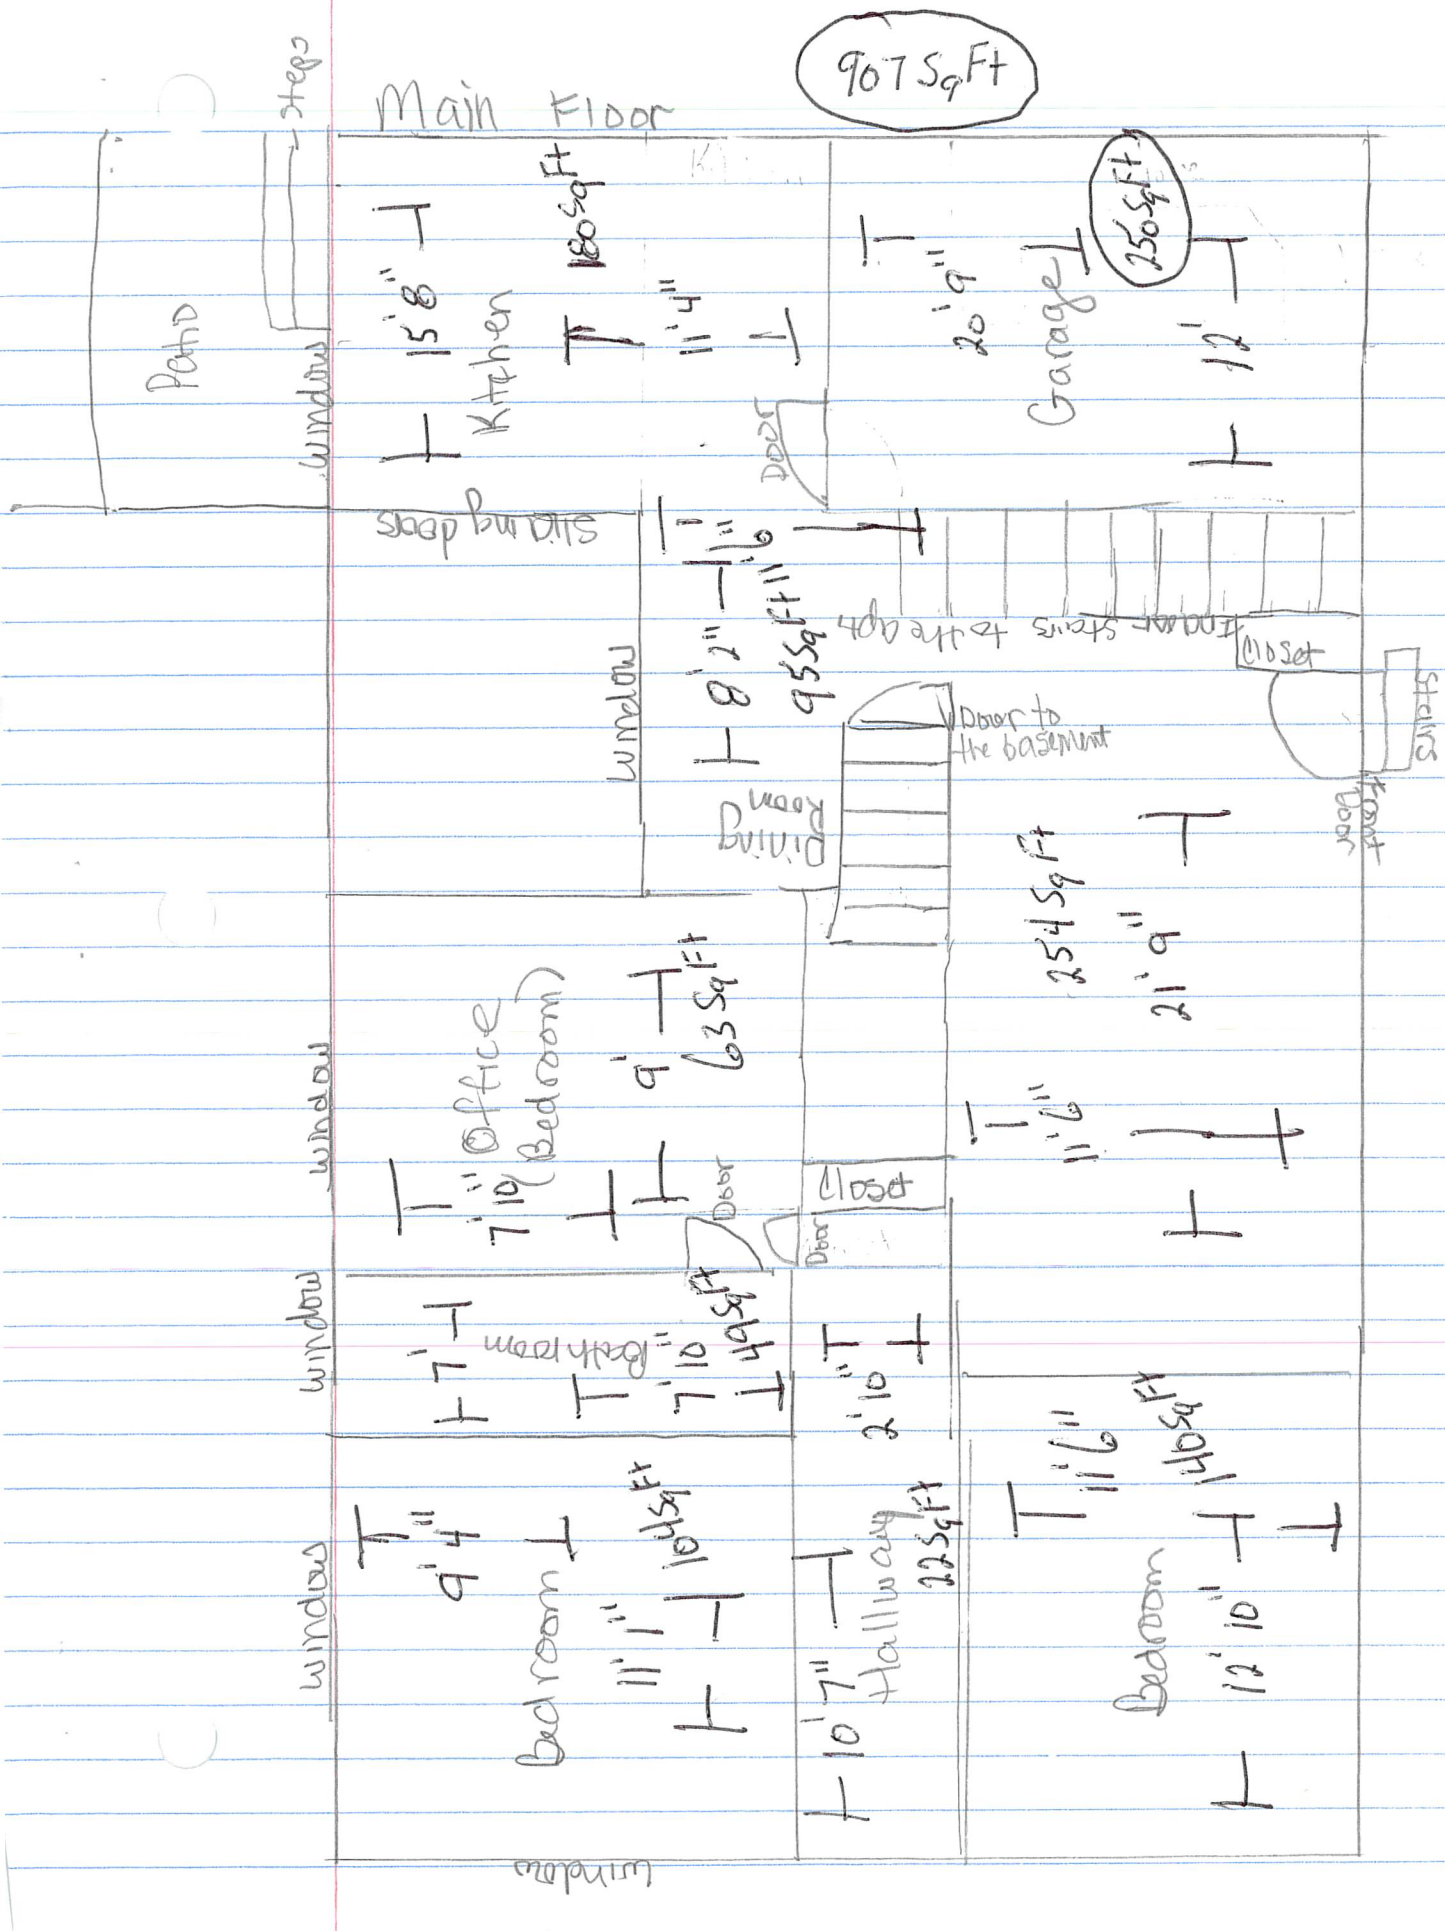

occupying the unit per year (or however long

they wish to stay. If you have any questions

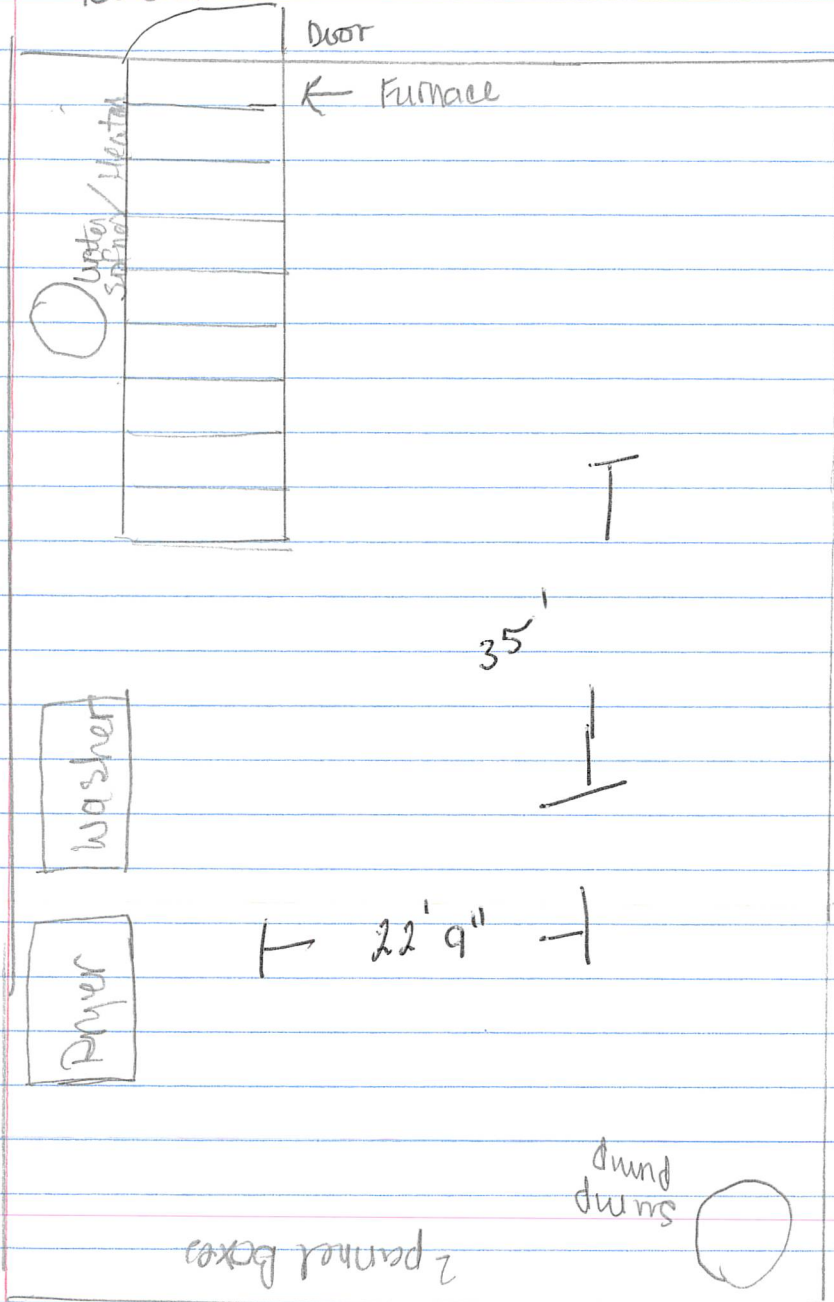

please call me 407-481-3380 - Sincerely, Tammy Linville
