

Hi My name is Sherry Fiferius.
I'm a lifetime resident
of Watertown.

I'm opening a storefront
business that I have been
currently operating out of my
sister club on the west side
of town.

My hope when I get this
conditional use permit is to
open my own nutrition club
in a brick and mortar location.

We help our community
by serving healthy meal shakes
and energy drinks, snacks and
over all general nutrition
along with coaching.

I hope this conditional
use permit gets aproved so
I can move forward helping
the community get healthy
one person at a time.

Best regards

Sherry L. Fiferius
