Re: S. Eighth Street 200 Block Parking Restriction

Dear Residents,

We would like to inform you about a potential change to the parking regulations in the 200 block of S. Eighth Street, between Market Street and Dodge Street.

The City is considering modifying the existing parking restriction that currently permits on-street parking on the east side of S. Eighth Street on Sundays only. If approved, parking could be prohibited on the east side of this block at all times. Alternatively, allowed on-street parking has been proposed to be moved to the east side of this block, with no parking at any time on the west side of this block. This alternative option was discussed at the August 26th meeting, and the Committee wanted to notify residents affected prior to making their decision.

The Public Safety and Welfare Committee will be reviewing this change again on Wednesday, October 7th. There will be an opportunity for public comment, and we welcome any discussion and feedback regarding the proposed change in parking restrictions.

You are invited to attend the October 7, 2026 Public Safety and Welfare Committee meeting. It will be held at 5:00 P.M. in Room 0041 at City Hall, 106 Jones Street, Watertown, WI 53094. If you cannot attend and wish to provide feedback, please call (920) 262-4060 or email engineeringdept@watertownwi.gov.

We appreciate your participation as we consider this proposed change. If you have any questions or concerns, please contact the Engineering Division of the Department of Public Works.

Sincerely,
Andrew M. Beyer, P.E.
Public Works Director
City of Watertown
