Hello Mark,

This request would be for a city/county improvement request. As noted at the LT meeting, the city does not have a generator to use in a public building, recognized as a warming/cooling center, if power is lost. The request would be to purchase and install a generator at the library, that could be used in case of a city/county emergency.

Subject: ARPA Request Reminder

All,

Please forward any requests that you may have for the unassigned ARPA funding to me **by next Wednesday, February 1**. Approximately \$297,000 remains, and I have already received requests that exceed that amount. This first quarter is likely the only remaining time to vie for your extraordinary requests.
