The signatory, the **City of Watertown**, hereinafter called the Project Sponsor, through its undersigned duly authorized officers or officials, hereby requests the State of Wisconsin Department of Transportation, hereinafter called the State or WisDOT, to initiate and effect the transportation project hereinafter described.

Wisconsin Statute 85.021 authorizes the State to administer a program to award grants of assistance to certain political subdivisions, state agencies, counties, local government units, Indian tribes, consistent with federal law.

The authority for the Project Sponsor to enter into this State/Municipal Agreement with the State is provided by Sections 86.25(1), (2), and (3) and Section 66.0301(2) of the Wisconsin Statutes.

**NEEDS AND ESTIMATE SUMMARY:**

All components of the project must be defined in the environmental document if any portion of the project will be submitted for approval in a federally funded program. The Municipality agrees to complete all participating and any non-participating work included in this improvement consistent with the environmental document. No work on final engineering and design may occur prior to approval of the environmental document.

Existing Facility and Proposed Improvement - **The proposed path will connect residential areas schools with on-campus housing along Main Street to large retail, medical and employment areas south of the airport. The proposed path will connect with the Air Park Drive shared-use path, connecting multi-family housing with downtown Watertown employment, parks, schools and the Public Library. Bicyclists using the Glacial River Trail will now have a safe connection to reach employment and other opportunities along the S. Church Street corridor and along the Downtown Main Street area. This route has been a Task Force priority, and is expected to be a key connector between southern Watertown and the central/northern portions of Watertown in the upcoming city-wide bicycle and pedestrian path network plan.**

**The City of Watertown is proposing to construct a new concrete shared-use path along S. Church St./STH 26 from Jefferson Road south to Air Park Drive.**

The Project Sponsor agrees to the following Federal Fiscal Year 2024-2028 TAP project funding conditions:

All Project Sponsors and processes, including real estate acquisition and environmental documentation, must comply with *A Sponsor's Guide to Non-Traditional Transportation Project Implementation* (Sponsor's Guide) and the current WisDOT Facilities Development Manual (FDM).

The subject project is funded with 80% federal funding up to a maximum of \$1,213,256.66 for all federally-funded project phases when the Project Sponsor agrees to provide funds in excess of the \$1,213,256.66 federal funding maximum, in accordance with TAP guidelines. Non-participating costs are 100% the responsibility of the Project Sponsor. Any work performed by the Project Sponsor prior to federal authorization is not eligible for federal funding. The Project Sponsor will be notified by the State when each project phase or ID is authorized and available for charging.

The project is subject to a discretionary Disadvantaged Business Enterprise (DBE) goal assessment. The Catalogue of Federal Domestic Assistance (CFDA) number for this project is 20.205 – Highway Planning and Construction.

- 2) For planning projects, a planning project is commenced when the planning study is begun.
- 3) For non-infrastructure projects that do not fall within any of the above categories, a project is considered commenced on the date that WisDOT receives the first reimbursement request from the Project Sponsor, as noted on form DT1713 in the 'Date Received' field.
- 4) For design-only projects, a project is commenced when design is begun and/or when a contract is signed and executed with the consulting firm that has been selected to lead the project design effort.

**Project Award date: June 4, 2024**

**Commencement deadline: June 4, 2028**

**Completion deadline: 6/30/2030**

**The project commencement deadline is fixed by statute and may not be extended.**

The subject project must be completed by **6/30/2030**, and the Project Sponsor must submit a project completion certificate to WisDOT central office on or before this date. WisDOT may consider a written request to extend the completion deadline from the Project Sponsor and may approve such a request in the presence of extenuating circumstances. The written request shall explain the reasons for project implementation delay and revised timeline for project completion.

In the summary funding table below, the federal share of the total estimated cost distribution indicates the maximum amount of federal funding available to the project, to be distributed across federally-funded project phases.
