

(Adjusted Urban Area Boundary)

This map illustrates the urban area boundaries for Watertown, Minnesota, comparing the 2020 Census data with the 2010 Census data and the current adjusted urban area boundary. The 2020 Census Urban Area Boundary is shown in green, while the 2010 Census Urban Area Boundary is indicated by a red dashed line. The Proposed Adjusted Urban Area Boundary is outlined in magenta, and the Current Adjusted Urban Area Boundary is shown in grey. Dashed black lines represent the Current City & Village Boundaries. The map includes a north arrow and a legend in the bottom left corner. Various road numbers (16, 19, 26) and letters (K, L, M, R, CW, E, D, X, Y, A, T, Q, EM) are marked on the map.

Population (2020): 22,712
Housing Units: 9,767
Map Date: 04/02/2024
