

## MEMO

TO: Public Safety & Welfare Committee  
FROM: Kristine Butteris, Director of Parks, Recreation, & Forestry  
DATE: March 26, 2024  
RE: Amend Section 428-8(g) Subsections 3 & 7 Open Container

---

Committee Members,

The Parks, Recreation, & Forestry Department has put together recommended changes to the ordinance 428-8(g) Subsections 3 & 7 Open Container. This will update the existing requirement for logoed 16 oz containers and logoed wristbands, when serving alcoholic beverages, to allow for generic options to these items. These logoed items are very costly and would help reduce expenses.

We are looking for a recommendation to move forward to common council. It has been reviewed and approved by Police Chief Brower.
