Grant Amount: \$150,000.00

Maureen McBroom, Stormwater Project Manager
City of Watertown
106 Jones St.
Watertown, WI 53094

Dear Ms. McBroom:

Congratulations! On behalf of the Governor, we are pleased to forward to you a grant agreement for financial assistance for the following project: *Watertown Yard Waste Site Biofilter*.

This grant, and any reimbursements made under it, is governed by very specific statute and administrative code provisions. Accordingly, please read the grant documents thoroughly, paying particular attention to the Scope and Conditions sections for eligibility, grantee requirements and reimbursement provisions. There are also a number of activities where you must obtain prior departmental review and authorization before proceeding.

You are obligated to submit a final report, using the Department's BMP Implementation Tracking System (BITS), prior to submitting your final reimbursement request for the projects completed under this grant; before and after photographs are a required component for construction projects.

On January 26, 2023, DNR and UW-Madison Division of Extension will hold a grant administration webinar from 1:30 to 3:30 p.m. to provide information about seeking reimbursement from DNR, amending your grant, submitting the final report, etc. All grantees receiving CY 2023 grant awards must attend the webinar or view the webinar recording prior to submitting the first reimbursement request for their grant. Webinar registration information is included in the email from DNR with your grant agreement.

To accept this grant, please review the agreement and email a scanned copy signed by the authorized government official, along with the completed *Grantee Contact Page*, and evidence that your community has committed the necessary funding for the local share, to DNRCFANONPOINTGRANTS@wisconsin.gov by **March 1, 2023**.

Please review this grant thoroughly and if you have any questions, contact your Regional Nonpoint Source Coordinator, Dan Bekta, at (608) 333-6579. Thank you for your continued cooperation with Wisconsin's Runoff Management Grant Programs.

Sincerely,

for Jim Ritchie, Director
Bureau of Community Financial Assistance

PART 4. CONDITIONS

A. General Conditions

- A.1. The Wisconsin Department of Natural Resources (DEPARTMENT) and the GRANTEE identified in Part 1 above mutually agree to perform this agreement in accordance with the Urban Nonpoint Source Water Pollution Abatement and Storm Water Management Grant Program and ss. 281.66 and 283, Wis. Stats., and chs. NR 151, 154, 155, and 216, Wis. Adm. Code, and with the project proposal, application, terms, promises, conditions, plans, specifications, estimates, procedures, maps and also any assurances attached and made a part of this agreement.
- A.2. This agreement, together with any referenced parts and attachments, shall constitute the entire agreement and previous communications or covenants pertaining to this agreement are superseded. Any revisions to this agreement must be made by written amendment, signed by both parties, prior to the termination date of this agreement, whether

for changes in scope, grant period, or cost. Requests to extend the grant period must be made 45 days or more before the end of the grant period in Part 1.

A.3. Failure by the GRANTEE to comply with the terms of this agreement shall not cause the suspension of all obligations of the State if, in the judgment of the Secretary of the DEPARTMENT, such failure was due to no fault of the GRANTEE. In such case, any amount required to settle at minimum costs any irrevocable obligations properly incurred shall be eligible for reimbursement under this agreement, at the DEPARTMENT's discretion.

A.4. Eligibility for cost-sharing reimbursement is governed by the provisions of s. NR 154.04 and ch. NR 155, Wis. Adm. Code. Cost-share rates and applicability may be further limited by departmental contract approval(s), which may restrict the cost-share amount due to the eligibility requirements of the statute and codes.

A.5. The amount listed in Part 2 above is the maximum amount the DEPARTMENT may reimburse under this agreement.

A.6. Neither the GRANTEE nor any landowner may adopt any land use or practice that reduces the effectiveness or defeats the purposes of any BMP installed under this agreement.

A.7. The GRANTEE:

1. Agrees to comply with all applicable Federal, Wisconsin, and local laws in fulfilling the terms of this agreement. In particular, GRANTEE agrees to comply with all applicable local and state contract and bidding requirements. GRANTEE should consult its legal counsel with questions concerning contracts and bidding. For assistance, GRANTEE may consult Procurement Guide for Local Governments Receiving DNR Grants.
2. Agrees to obtain all necessary and appropriate permits prior to commencement of construction.
3. Shall ensure that DEPARTMENT representatives have access to land on which grant-funded activities are being planned or installed, before, during and after BMP installation.
4. Promises, in consideration of the promises made by the DEPARTMENT, to execute the project described in accordance with this agreement.
5. May decline the offer of financial assistance provided through this agreement, in writing, at any time prior to the start of the project and before expending any funds. After the project has been started or funds expended, this agreement may be rescinded, modified, or amended only by mutual agreement in writing.
6. Agrees that its employees or agents are not employees or agents of the DEPARTMENT for any purpose, including Worker's Compensation.
7. Agrees, to save, keep harmless, defend and indemnify the DEPARTMENT and all its officers, employees and agents, against any and all liability claims, costs of whatever kind and nature, for injury to or death of any person or persons, and for loss or damage to any property (state or other) occurring in connection with or in any way incident to or arising out of the occupancy, use, service, operation or performance of work in connection with this agreement or omissions of GRANTEE's employees, agents or representatives.
8. Agrees to reimburse the DEPARTMENT of any and all funds the DEPARTMENT deems appropriate in the event the GRANTEE fails to comply with the conditions of this agreement or project proposal as described, or fails to provide public benefits as indicated in the project application, proposal description or this agreement. In addition, should the GRANTEE fail to comply with the conditions of this agreement, fail to progress due to non-appropriation of funds, or fail to progress with or complete the project to the satisfaction of the DEPARTMENT, all obligations of the DEPARTMENT under this agreement may be terminated, including further project cost payment.
9. Agrees, in connection with the performance of work under this agreement, not to discriminate against any employee or applicant for employment because of age, race, religion, color, disability, handicap, sex, physical condition, developmental disability as defined in s. 51.01(5), Wis. Stats., sexual orientation or national origin. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. Except with respect to sexual orientation, the GRANTEE further agrees to take affirmative action to ensure equal employment opportunities, as required by law. The GRANTEE

agrees to post in conspicuous places available, for employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of the nondiscrimination clause.

10. Agrees that accounting for project funds shall conform to generally accepted accounting principles and practices, and that GRANTEE shall maintain a financial management system in compliance with s. NR 155.29, Wis. Adm. Code, and separate from all other GRANTEE activities, for this agreement.

12. Agrees that project design must be approved by the DEPARTMENT before construction begins.
13. Shall comply with the cost containment and procurement procedures in the applicable administrative codes governing this agreement.
14. Agrees to obtain prior DEPARTMENT approval before entering into a cost-share agreement with landowners and land operators if the best management practice will be constructed on land not owned by the GRANTEE. The cost-share rate offered to the landowner may not exceed the cost-share percentage specified in Part 2 of this agreement. Such agreements and any agreement amendments shall be recorded with the County Register of Deeds and promptly submitted to the DEPARTMENT's Regional Nonpoint Source Coordinator listed in Part 1 above.
15. Shall not issue funds under this agreement to individuals whose names appear on the statewide support lien docket under s. 49.854(2)(b), Wis. Stats. unless the individuals submit to the provider a payment agreement that has been approved by the county child support agency under s. 59.53(5), Wis. Stats., and that is consistent with rules promulgated under s. 49.858(2)(a), Wis. Stats.
16. Agrees to retain and make available to the DEPARTMENT for inspection all fiscal records, including invoices and canceled checks, that support all project costs claimed by the GRANTEE, for three years from the date of final payment by the DEPARTMENT or three years after the end of the Grant period, whichever is later, or for a longer period if required by the DEPARTMENT for audit purposes.
17. Agrees to comply with annual Single Audit requirement, at its own expense, if combined total state and federal grant awards received by the GRANTEE from all sources is \$750,000 or more during the calendar year. Annual Single Audit requirements are specified in 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, & Audit Requirements for Federal Awards (referred to as Uniform Guidance) and the Wisconsin State Single Audit Guidelines found at: <http://www.doa.state.wi.us/Divisions/budget-and-finance/financial-reporting/state-controllers-office/state-single-audit-guidelines> issued by the Wisconsin Department of Administration (DOA), State Controller's Office.

is required to pay the DEPARTMENT's share of the costs based on the cost-share percentage listed in Part 2 above for eligible project work performed and expenses incurred during the grant period noted in Part 1 above.

2. Agrees that the GRANTEE shall have sole control of the method, hours worked, and time and manner of any performance under this agreement other than as specifically provided in this document. The DEPARTMENT reserves the right only to inspect the job site or premises for the sole purpose of ensuring that the project is progressing or has been completed in compliance with the agreement. The DEPARTMENT takes no responsibility of supervision or direction of the performance of the agreement to be performed by the GRANTEE or the GRANTEE's employees or agents. The DEPARTMENT further agrees that it will exercise no control over the selection and dismissal of the GRANTEE's employees or agents.
3. Shall not reimburse GRANTEE for engineering design costs until installations of associated BMPs have been completed and certified by the GRANTEE as installed in accordance with the grant program standards and specifications of ch. 154, Wis. Admin. Code.
4. Shall not issue final reimbursement to the GRANTEE unless GRANTEE has submitted the Final Report and the Final Report has been approved by the DEPARTMENT Regional Nonpoint Source Coordinator.
