**TO:** Alderperson Wetzel & Public Works Commission  
**FROM:** Stacy Winkelman  
**RE:** Agenda Item  
**DATE:** July 19, 2023

Alderperson Wetzel & Commission Members:

I have two items on the agenda for your review and possible approval. The first item is regarding another request for garbage and recycling service for a residence outside City limits.

I received a request from Jody Busshardt who resides at W6874 Silver Creek Road. This is a Watertown address; however it is outside City limits. Ms. Busshardt has requested that we add her residence to the list of residences that we currently collect outside City limits. Ms. Busshardt is aware that she will be invoiced \$19.08 per month for this service. This will not affect our crew as they are already picking up multiple residences in this area. Therefore, if the Commission agrees, I recommend approval of this request. I have attached Ms. Busshardt's email request for your review.

My second item is the annual approval of equipment rates. These rates are used when we need to bill out for our services. This is coming a bit later in the year than normal because we had to wait for the DOT to post these as those are the set rates we use. This will require a resolution which is attached.

Please let me know if you have any questions or concerns.

Respectfully,

Stacy Winkelman  
Operations Manager

**Subject:** RE: Requesting garbage pick-up

Hi Jody –

I had our solid waste foreman look at this today to see if this is a doable request for our solid waste team. It does look like we can do this pickup easily on our regular route; I will need to get the approval from our Public Works Commission before I can add you to our service. I will put you on the agenda for the July 25<sup>th</sup> meeting. Please note that you will be charged \$19.08 per month for weekly garbage and recycling collection.

Once I receive the final agenda for this meeting, I will confirm with you that your request is on it.

Thank you,

*Stacy Winkelman*
