

## MEMO

TO: Chairperson Wetzel and Commission Members  
FROM: Andrew Beyer, P.E.  
DATE: August 2, 2023  
RE: Public Works Commission Meeting of August 8, 2023

---

### No action required: Cady Street Bridge Update

#### Background

The City of Watertown received Wisconsin Department of Transportation (WisDOT) Local Bridge Program funding to rehabilitate the Cady Street Bridge prior to the replacement of the Main Street (Cole Memorial) Bridge in 2024. Cady Street would be used as a local detour during the Main Street (Cole Memorial) Bridge replacement project and needs to be rehabilitated prior to use as a local detour route.

The scope of the project includes removing the existing concrete overlay (originally installed in 1989); install a new concrete overlay to protect the bridge deck slab; concrete surface repairs to sidewalk, deck, and piers; and bridge approach reconstruction.

The project was let by WisDOT on May 9<sup>th</sup>. The project was awarded by WisDOT to the lowest responsive, responsible bidder, Zenith Tech of Waukesha, WI in the amount of \$313,947.31. The City is responsible for 20% of construction costs, or \$62,789.46 based on the low bid. This is within the dollar amount budgeted for this project. Zenith Tech intends to begin work shortly after Labor Day.
