

Street Light

EXAMPLE 1

Bench

Starting at: As low as \$609.00

Two black metal trash cans with wheels, standing on a brick patio. The trash can on the left is slightly taller and has a lid that is slightly ajar. The trash can on the right is shorter and has a lid that is closed. Both trash cans have a ribbed design and four small wheels at the base.

Starting at: As low as \$1,139.00

A red and black striped drum, likely a traditional African drum, with a black head and a red body with black stripes.

Starting at: **Audition at \$559.00**

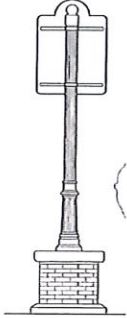

3D perspective view of a roof truss system. The roof is supported by a series of vertical columns. The truss structure is visible, showing the arrangement of members and joints. A legend in the bottom left corner identifies the components:

- Roof Truss
- Roof Column
- Roof Beam
- Roof Wall
