Stephanie Wing - Hardee Senior High School

Wing addressed the Commission and explained that, while the club would normally use the school auditorium for their production, there were currently some issues with that space and it would not be ready in time for this show. Wing explained the stage set up would be prepped at the high school and relocated to the auditorium during their rehearsals. She also stated the stage props were moveable if the City needed to utilize the facility. Wing stated patrons would be charged an admission fee and the club would be raising funds for costumes and miscellaneous expenses however, she did not anticipate having the funding for the facility rental.

The Commission discussed their thoughts on this request and agreed that the club should pay the \$500 refundable deposit and the City would waive all additional rental fees.
