Wauchula Community Redevelopment Agency Board
126 S. 7th Avenue
Wauchula, FL 33873

Dear WCRA Board Director:

The Wauchula Community Redevelopment Agency issued a Request for Qualifications (RFP) for the Permanent Outdoor Sound System, as WCRA RFP 26-02. The RFP was advertised on DemandStar, Lakeland Ledger, City of Wauchula website, and CRA Facebook page.

One company responded with a submittal: Skyline Commercial Systems.

The submittal was evaluated and scored by WCRA and City staff according to criteria set forth in the RFP and included with this letter. The submittal was found to be complete and in line with the RFP, receiving an average score of 88.66. Therefore, it is the recommendation of the WCRA staff to enter into a contract with Skyline Commercial Systems for the Permanent Outdoor Sound System.

Sincerely,

Jessica Newman
WCRA Director
