The widest range and highest densities and intensities of land uses are intended. Residential, commercial, industrial, recreational, public, and other uses are intended to be developed in close proximity to maintain or reduce distance between residences, employment areas, commercial areas and entertainment areas.

intensity commercial services, industrial, public and community services, and recreation and open space land uses. Recreation uses are consistent and compatible with the Agriculture (A-1) district, when the primary function is public or private, not-for-profit recreation.

Traffic/Transportation

The site is bordered by US 17 on the west and Heard Branch Road on the east. US 17 is a state maintained road and Heard Branch Road adjacent to the property is county-maintained. As the project moved forward to site plan review, the applicant would have to coordinate with the FDOT and the County regarding driveway permits and impacts to the system.

Environmental Impacts

According to the FEMA FIRM maps (see snippet below), portions of the site are located in a FEMA Flood Zone AE. Development of the site will have to meet the requirements of Section 5.01.00 of the Land Development Code.

School Impacts

The requested Future Land Use and Zoning do not permit the development of residential developments, therefore there are no proposed impacts to schools.

CONSISTENCY WITH THE COMPREHENSIVE PLAN:

The Future Land Use Map amendment is **consistent** with the City of Wauchula Comprehensive Plan. The change in Future Land Use for the property will permit the property owner to utilize the land for governmental service activities.
