

POD H – “Westlake Landings”
Master Plan Amendment (MPA-2021-04)
Justification Statement
November 03, 2021

Introduction

On June 14, 2021, Resolution 2021-08, approved the Amended Master Plan for Pod H, Westlake Landings. Subsequently, a second amendment request was processed and is scheduled for approval at the November 08, 2021, City Council meeting. At this time, the applicant is requesting a 3rd amendment to the Pod H, “Westlake Landings”, master site located within the Westlake Traditional Town Development (TTD). Pod H, as platted, consists of 50.826 total acres located centrally within the TTD on the west side of Seminole Pratt Whitney Road. Westlake Landings will include the previously approved 7-Eleven 2.0 located on Parcel A-1 in Phase 1 of Pod H. Phase 2 of Pod H, the final phase, will contain parcels A-2 (7-Eleven), Parcel B, Parcel C (both part of the Shoppes of Westlake Landings), Parcel E (Self-Storage), and Parcel F (Adrenaline World). This third requested amendment results from the contemplated site planning design for a Light Industrial Warehouse on Parcel G, the final parcel within Pod H.

Background

The Minto Westlake site is located East and West of Seminole Pratt Whitney Blvd., South of 60th Street North, and North of 50th Street N, East of Mead Hill Drive, and 44th Street North, East of 190th Terrace North and West of 140th Avenue North. Per the newly adopted Comprehensive Plan, the 3,788.60-acre property has FLUA designations of R1, R2, DTMU, Civic, OS&R and SE Overlay. To provide consistency with the Development Order and existing zoning, the plan states the FLUA designation as Agricultural Enclave. The property is currently in active construction.

Minto Westlake is roughly co-extensive with Seminole Improvement District (SID), a legislatively created special district with the authority to provide public infrastructure and services and to operate district facilities. SID provides drainage, water, and wastewater services for the subject property, and owns a canal right-of-way and/or easement for access and drainage from the subject site running approximately four miles south to the C-51 Canal.

Historic and Recent Planning and Zoning Entitlements

On October 29, 2014, the property received approval from the Board of County Commissioners for a Comprehensive Plan Amendment (Ordinance 2014-030), Rezoning and Preliminary Master Plan (Resolution 2014-1646), and Requested Uses (Resolutions 2014-1647 and 1648).

Ordinance No. 2014-030 approved an amendment to the Comprehensive Plan for the site-specific Agricultural Enclave, including a Conceptual Master Plan and Implementing Principles. The Ordinance also made various text changes to the Plan related to the Agricultural Enclave Future Land Use. These Amendments were codified and are included as part of the Palm Beach County's Comprehensive Plan.

Resolution No. 2014-1646 approved the Zoning application for the Minto West Traditional Development District. The Resolution included rezoning the property from Agricultural Residential (AR) and Public Ownership (PO) Zoning Districts to the Traditional Town Development (TTD) Zoning District.

Subject Request

The Applicant is seeking a third amendment to the master plan approved for Pod H. Pod H is known as “Westlake Landings” and is situated west of Seminole Pratt Whitney Road, south of Persimmon Boulevard (across the street from the recently approved Publix on Pod G), bounded on the north by the existing Seminole Ridge High School. The Final Plat was previously approved by staff on July 24, 2019, and on October 28, 2019, Resolution No. 2019-36 approved the Plat for Pod H. Pod H will be sub-divided by metes and bounds, whereby no additional platting will be necessary. Westlake Landings will include the previously approved 7-Eleven 2.0 located on Parcel A-1 of the plat of Pod H, in Phase 1. Phase 2 of Pod H, the final phase, will contain parcels A-2, B, C, E, F and G. Westlake Landings will include a variety of commercial, retail, restaurant, office, self-service storage, light industrial and commercial recreational uses which will serve the City of Westlake, as well as the overall western community. With the exception of Parcel G, each of aforementioned parcels have undergone site plan review by the City of Westlake.

At present, Parcel A-1 in Phase 1 is under construction with the 7-Eleven (2.0) gas station and convenience store. On June 14, 2021, Resolution 2021-15, approved the Site Plan for Pod H – Self-Storage Facility on Parcel E. Currently, a subsequent modification to the Self-Storage site plan is scheduled for approval at the upcoming November 08, 2021, City Council hearing. In addition, parcels B & C (Shoppes of Westlake Landings), and Parcel F (Adrenaline World) are also scheduled on the November 8th agenda for site plan approval.

Pod H has a Mixed-Use zoning designation allowing a variety of Commercial, Retail, and Industrial uses. All of the uses contemplated will be processed in accordance with Article 3 “Zoning Districts” of the Westlake Code of Ordinances. The subject site maintains a Land Use designation of Downtown Mixed Use and a Zoning designation of Mixed Use and is subject to site plan review and approval. The proposed uses for individual parcels are considered permitted uses; (P) within the Mixed Use (MU) zoning district as defined by Article 3 Table 3-20 of the City of Westlake Code of Ordinances. Individual site plans will require separate review and approval by the City of Westlake. The master plan will require approval by the Westlake City Council with public notice as required by Article 2, Table 2.3.

As such, the amendment request for Parcel G converts the Office use entitlement to Light Industrial in totality. An updated traffic equivalency report is included which supports this entitlement conversion. The amended Master Plan’s site data table is reflected on the following page.
