Revised: September 17, 2021

Introduction

The Applicant is pleased to submit this request for the site plan approval of an exciting Recreation Venue to be known as “Adrenaline World” within Pod H, “Westlake Landings” to be situated on Lot 2, Parcel F, of the previously platted Pod H site. This site consists of 14.4 acres and will contain multiple indoor and outdoor recreation venues. Pod H is located centrally within the TTD on the west side of Seminole Pratt Whitney Road, just north of Seminole Ridge High School. This recreation facility will provide endless entertainment options for the residents of Westlake as well as their Loxahatchee community neighbors.

Background

The Minto Westlake site is located East and West of Seminole Pratt Whitney Blvd., South of 60th Street North, and North of 50th Street N, East of Mead Hill Drive, and 44th Street North, East of 190th Terrace North and West of 140th Avenue North. Per the newly adopted Comprehensive Plan, the 3,788.60-acre property has FLUA designations of R1, R2, DTMU, Civic, OS&R and SE Overlay. To provide consistency with the Development Order and existing zoning, the plan states the FLUA designation as Agricultural Enclave. The property is currently in active construction.

Minto Westlake is roughly co-extensive with Seminole Improvement District (SID), a legislatively created special district with the authority to provide public infrastructure and services and to operate district facilities. SID provides drainage, water, and wastewater services for the subject property, and owns a canal right-of-way and/or easement for access and drainage from the subject site running approximately four miles south to the C-51 Canal.
