#### **Introduction**

The Applicant is pleased to submit this request for the site plan approval of a Self-Service storage facility within the southern portion of Pod H, to be situated on Lot 2, Parcel E, of the previously platted Pod H site. The self-service storage site is 5.75 acres and will contain both limited and multi-access storage units comprising approximately 107,261 sq.ft. as well as .71-acre outdoor area for the storage of boats and recreation vehicles. Pod H located centrally within the TTD on the west side of Seminole Pratt Whitney Road, just north of Seminole Ridge High School. This self-service storage facility is a welcome addition to the Westlake community, giving the residents a convenient and easily accessible option for additional storage (boat and RV storage is prohibited within the residential subdivisions).

#### **Background**

The Minto Westlake site is located East and West of Seminole Pratt Whitney Blvd., South of 60<sup>th</sup> Street North, and North of 50<sup>th</sup> Street N, East of Mead Hill Drive, and 44<sup>th</sup> Street North, East of 190<sup>th</sup> Terrace North and West of 140<sup>th</sup> Avenue North. Per the newly adopted Comprehensive Plan, the 3,788.60-acre property has FLUA designations of R1, R2, DTMU, Civic, OS&R and SE Overlay. To provide consistency with the Development Order and existing zoning, the plan states the FLUA designation as Agricultural Enclave. The property is currently in active construction.

Minto Westlake is roughly co-extensive with Seminole Improvement District (SID), a legislatively created special district with the authority to provide public infrastructure and services and to operate district facilities. SID provides drainage, water, and wastewater services for the subject property, and owns a canal right-of-way and/or easement for access and drainage from the subject site running approximately four miles south to the C-51 Canal.
