

Westlake Wellness & Fitness Park

Site Plan Review (*SPR-2020-12*)

Justification Statement

(Revised May 27, 2021)

Minto is pleased to submit plans for the Westlake Wellness & Fitness Park, proposing an exciting new concept for the Residents of Westlake. This park will be located on 39-acres within the Lake 8 water management tract, which has been dedicated to Seminole Improvement District (SID).

Background

The Minto Westlake site is located East and West of Seminole Pratt Whitney Blvd., South of 60th Street North, and North of 50th Street N, East of Mead Hill Drive, and 44th Street North, East of 190th Terrace North and West of 140th Avenue North. Per the newly adopted Comprehensive Plan, the 3,788.60-acre property has FLU designations of R1, R2, DTMU, Civic, OS&R and SE Overlay. To provide consistency with the Development Order and existing zoning, the plan states the FLU designation is Agricultural Enclave. The property is currently in active construction.

Westlake is roughly co-extensive with Seminole Improvement District (SID), a legislatively created special district with the authority to provide public infrastructure and services and to operate district facilities. SID provides drainage, water, and wastewater services for the subject property, and owns a canal right-of-way and/or easement for access and drainage from the subject site running approximately four miles south to the C-51 Canal.

Historic and Recent Planning and Zoning Entitlements

On October 29, 2014, the property received approval from the Board of County Commissioners for a Comprehensive Plan Amendment (Ordinance 2014-030), Rezoning and Preliminary Master Plan (Resolution 2014-1646), and Requested Uses (Resolutions 2014-1647 and 1648).

Ordinance No. 2014-030 approved an amendment to the Comprehensive Plan for the site-specific Agricultural Enclave, including a Conceptual Master Plan and Implementing Principles. The Ordinance also made various text changes to the Plan related to the Agricultural Enclave Future Land Use. These Amendments were codified and are included as part of the Palm Beach County's Comprehensive Plan.

Resolution No. 2014-1646 approved the Zoning application for the Minto West Traditional Development District. The Resolution included rezoning the property from Agricultural

Subject Request

Minto is proposing a Wellness & Fitness Park for the residents of Westlake. This park will be located on 39-acres within the Lake 8 open space & water management tract, which has been dedicated to Seminole Improvement District (SID). The wellness and fitness park will run along the east and south perimeter of Pod I and will be accessible from the Westlake Multi-Modal Pathway network. The park can be accessed from Green Lane (Access Point 1) just east of the intersection of Ilex Way as well as from Seminole Pratt Whitney (SPW) (Access Point 2) at the South West corner of Pod I, just north of Sycamore. Access Point 1 contains a Westlake branded, pedestrian scaled, entry portal located on the east side of Green Lane. Bicycle and golf cart parking is provided for the convenience of the residents. Access Point 2 is gated and only accessible to the residents of Westlake via a key fob system compatible with the Adventure Park. Access will be available from dawn to dusk. Automobile parking is not proposed now or planned for the future.

Users will be able to take advantage of 9 Fitness Stations set alongside a one-mile-long linear multimodal path. Clusters of palms, flowering trees and shade trees have been provided to create the appearance of outdoor rooms. Large open lawn areas provide the opportunities for impromptu play such as frisbee, kick ball and other similar activities

Minto intends to process this site plan for approval with the City and construct all the improvements of the park for subsequent turnover to the SID for the long-term operation/maintenance of the park asset. As such, this park will be open to the public for use. Access control will be provided as noted above. Minto is seeking the required approvals/permits and intends have this park operational as soon as possible. The proposed 39-acre Wellness & Fitness park is a great complement to the Westlake Adventure Park and the amenities provided internal to the residential communities. In addition to the recreational aspect the proposed amenity provides a significant multi-modal linkage connecting the areas east of SPW to the future 40-acre park south of Seminole Ridge High School.

Conclusion

The Applicant is requesting approval of the Wellness & Fitness Park, as presented. The Applicant will work closely with Staff to bring this application to completion as quickly as
