The recommendation of the Local Governmental Entities shall then be submitted to the Board for consideration and/or action. This provision shall be applicable for each Project Year in which the Company fails to satisfy the requirements of this paragraph as provided herein irrespective of any prior decision of the Board to continue the Exemption Contract under the terms provided.

Alternatively, the Local Governmental Entities and the Company may forego the recommendation to the Board required by this section if the Local Governmental Entities agree that the Company shall pay and the Company actually makes a Default Payment to each of the Local Governmental Entities in an amount agreeable to both the Local Governmental Entities and the Company, in which case the terms of the Exemption Contract shall remain the same.

Time being of the essence, the affected Party shall make every reasonable effort to give such notice as soon as possible, but in any event notice must be given within 30 days of the occurrence.

(C) The affected Party must proceed with due diligence to effect repairs or undertake efforts to remedy or mitigate the effects of a Force Majeure event, and within 60 days of the occurrence of the event of Force Majeure shall provide the other Parties a report showing the efforts made and to be made to remedy or mitigate the effects as well as a timetable to return to full performance.
