Re: Monthly Status Report

- CCLIP funding: The project is progressing. Plans approved by KDOT. We are set for an April 2026 KDOT bidding letting.
- Storm Debris Removal: I am working to receive an additional 15% from KDEM. We had the final closeout with FEMA. I continue to receive requests for various forms and documents. Still proceeding.
- Mission Road Project, 2025: The project is nearly complete with some minor punch list items to resolve.
- W. 47th Place Complete Street Project: The plans are at 90% completion. Once plans are at 100% we will be submitting them to the utilities to get information on any plans they may have for replacements and a time schedule.
- W. 50th Street, Belinder Ave. to Mission Rd. & W. 51st Street Belinder Ave. to Mission Rd.: The plans are at 70% on both projects. We will be submitting to the utilities for review when we are 100% to determine if any infrastructure will be replaced.
- Belinder Court and Booth Street, W. 47th Street south to the cul-de-sacs, new streetlights: The Project is underway. Booth Street has the conduit bored in. Belinder Court should be starting on the 7th.
- Outdoor Warning Siren Relocation: I have a quote and a new location selected. The location selected will require an easement from Shawnee Mission School District. We will be submitting the relocation costs to Hunt Midwest.
